People News: Welcome Simon Grossmann!

Munich, 03 November 2025.

We are happy to announce the official start of Simon Grossmann as Operating Partner at SEVEST. Simon will be responsible for post-investment value creation across portfolio companies. His focus is on developing and implementing value creation initiatives across business and functional units in close collaboration with all stakeholders.

Simon brings extensive experience in transformation and operations across various industries. Before joining SEVEST, he served as Chief Transformation Officer for a PE portfolio company at Aurelius. Prior to that, he was a Director at Alvarez & Marsal Deutschland GmbH, advising leading Private Equity investors and their portfolio companies on operational excellence, value creation, and performance improvement. Earlier in his career, Simon held various operational and strategic roles in industry and retail.

He holds a degree in Business Administration from the European Business School in Oestrich-Winkel.

Welcome Simon!
