

People News: Welcome Christin Sedlatschek!

Munich, 16 September 2026

We are pleased to welcome Christin Sedlatschek as Senior Executive Assistant at SEVEST.

In this role, Christin supports the CFO/COO and the team in organisational, administrative, financial and project-related matters and is responsible for central office and organisational processes. She also focuses on the digitalisation and continuous improvement of processes across HR, accounting and administration and supports the Deal and Value Creation teams on cross-functional projects.

Before joining SEVEST, Christin spent more than 13 years at KPMG, where she supported partners and C-level executives in an international environment. She subsequently held operations roles in energy trading and the technology sector, with a focus on process optimisation and project management. Christin holds a Bachelor Professional of Business (Wirtschaftsfachwirtin, IHK) and an IPMA Level D certification in project management.

Welcome Christin!
