

# BLACK CHERRY

**590/1,495 ft**

**1 Bed**

**1 Bath**

**Optional**

This plan seamlessly combines a cozy indoor living space for comfortable guest accommodation with a standout feature—the connected central open-air living amenity space. Here, you'll find everything from a fireplace to an outdoor kitchen, dining area, and sitting space, creating the perfect setting for gatherings. Anchored by an inviting glass room housing a romantic wood-burning fireplace, this space becomes the heart of the home, especially on cool nights and during transitional seasons, fostering cherished moments with loved ones. With one, two, or three-car garage that seamlessly connects to the indoor living area. Convenience in adjacent to the coach, amenities are always within reach, whether your lounging under the motorhome's canopy or relaxing on the patio of the Black Cherry model. For inspiration, visit lot 310 to see the initial version of this model, showcasing how a fire pit and water feature effortlessly integrate into our back properties. Boasting 1400 ft.<sup>2</sup> under its distinctive shed roof design supported by impressive beams, this plan's metal roof enhances the allure of the Black Cherry, affectionately dubbed the "Pergalov."
