

# WHITE CEDAR

- 807 ft
- 1 Bath
- Optional

This plan is a culmination of years of innovative outdoor living concepts, harmoniously merging them into a captivating covered sanctuary that embraces the outdoors while offering protection from the elements. The inclusion of a bathroom and laundry facilities makes it an ideal addition to your motorcoach, catering to those seeking a predominantly outdoor lifestyle during the summer season at Hearthsides. With the option of a garage, you can neatly store all your recreational gear and projects, doubling as storage for winter departures. A spacious fire pit area and carefully curated landscaping provide a picturesque backdrop visible from the elegantly designed pavilion. Enhance your outdoor living experience with customizable features like an outdoor kitchen, fireplace, and television, knowing that roll-down screens and heaters offer year-round comfort and versatility. With 700 square feet indoors plus ample coach and outdoor patio areas, this plan holds immense potential for countless memorable moments and gatherings.
