

ALLIED ARTS EXPERIENCES

QUIETING THE MIND WITH A PAINT BRUSH

There's a quiet kind of magic in brush painting. As an individual paints, they focus on the fluidity of the paint and motion of the brush or their fingers. This motion and feel can illicit soothing or meditative responses.

GET TO KNOW YOUR COWORKER —ART EDITION PART 2

Participants will take part in a creative "Get to Know Your Coworker: Art Edition" activity, using art prompts to spark meaningful conversations and connections. This light-hearted exercise encourages teamwork, curiosity and a fun way to learn something new about one another.

MACRO-PHOTOGRAPHY

In this activity, participants will turn their phone cameras into powerful tools for macro photography, experimenting with extreme close-ups of textures, patterns and small objects. It's a fun and accessible way to spark creativity and discover unexpected beauty in the details around us.

COMPANY MURAL

In this activity, participants will work together to design a mural on butcher paper, illustrating what art in Oklahoma City means to them. The collaborative process invites conversation, sparks creativity, and results in a visual snapshot of the team's collective perspective on OKC's artistic community.

LEARN!

FILM SCREENING BY DEADCENTER FILM

Duration varies | In-person or virtual

The organization will provide a short film screening and discussion.
