

EMPLOYEE GIVING

Employee giving is a cornerstone of Allied Arts fundraising efforts, accounting for **21% of the total** raised annually. Participation in your company's Allied Arts campaign helps power the arts across our community. Every gift adds up to more creativity, more connection and more joy.

Additionally, your contribution opens the door to deeper engagement with our region's robust cultural scene, from performances and exhibitions to hands-on arts experiences.

OKCityCard

Available with a \$60 donation, the Allied Arts OKCityCard unlocks discounts at hundreds of locations including admission to exhibits and performances, as well as savings at restaurants and retailers.

THANK YOU

As a thank you for stepping up for the arts, workplace giving donors who **contribute \$200** or more can receive an 8x10" photography print by **Clarence Long III**, the Allied Arts 2026 Step-Up Artist.

His piece, *Wispy Junction*, captures dew drops gently balancing on a tightly wound spider web in the Myriad Gardens, showcasing his mastery of macro photography.

BE THE CATALYST

Start a legacy of philanthropic giving to the arts through a Catalyst donation! For young professionals 40 and under, Catalyst donors are invited to join community leaders at Allied Arts events throughout the year. With a gift of \$300, Catalyst donors also receive one ticket to ARTini, the Allied Arts annual martini tasting and live art auction event. Or, receive two ARTini tickets with a \$500 gift to become dual Catalyst members.
