ART CAN INSPIRE

EMPLOYEE GIVING

Employee giving is one of the most powerful ways to support Allied Arts, accounting for 23% of the funds raised each year. When you participate in your company's Allied Arts campaign, you join a collective effort to expand access to arts and cultural experiences across our community. Together, we're creating more opportunities for creativity, connection and inspiration. Your gift also provides a gateway to the rich cultural experiences our region has to offer, including performances, exhibitions and hands-on arts programming.

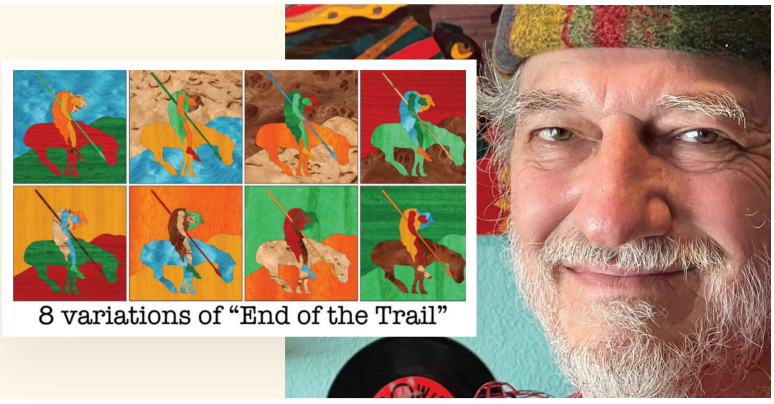

OKCityCard

Available with a $65 donation, the Allied Arts OKCityCard unlocks discounts at hundreds of locations including admission to exhibits and performances, as well as savings at restaurants and retailers.

THANK YOU

As a special thank you for supporting the arts, workplace giving donors who contribute $250 or more can receive a 4" x 4" hand-cut wood marquetry artwork by Gregg Standridge, the Allied Arts 2027 Step-Up Artist. Offered in eight unique color variations, "End of the Trail" reflects themes of Indigenous identity, nature, mythology and imagination.

BE THE CATALYST

Become a Catalyst and help shape the future of the arts. Created for young professionals 40 and under, Catalyst connects emerging leaders with the arts through exclusive events and networking opportunities throughout the year. A gift of $300 includes one ticket to ARTini, the Allied Arts annual martini tasting and live art auction. Give $500 to enjoy dual Catalyst membership and receive two ARTini tickets.

ENRICHING LIVES THROUGH ADVANCEMENT OF THE ARTS
