

# HELPING YOU COMPLY WITH YOUR LEAVEPLUS OBLIGATIONS

## Statutory Interest Amnesty

Limited time offer for R J Sanderson & Associates clients

Does your business operate in Victoria's construction industry? You may be legally required to participate in the LeavePlus portable long service leave scheme. That includes paying long service leave charges for your workers.

*The Construction Industry Long Service Leave Act 1997* authorises LeavePlus to charge statutory interest on unpaid long service leave charges. Over time, this interest can add up significantly.

## Interest waived — for a limited-time only

Haven't registered for the scheme yet? Then take advantage of this special offer currently available to R J Sanderson & Associates clients.

Act before **30 June 2026**, and if you're eligible, LeavePlus will **waive any interest** that you would have had to pay. That means you:

- only pay the long service leave charges owed
- avoid the extra cost of interest
- avoid penalties or prosecution for not complying.

## How to apply for the waiver

This amnesty is only available for a limited time, so contact your R J Sanderson & Associates accountant today. We'll also help you:

- ✓ understand how the scheme works
- ✓ register your business
- ✓ learn about your legal obligations.

## Are you eligible?

To qualify for this amnesty, your business must:

- be a current client of R J Sanderson & Associates
- have no prior compliance action from LeavePlus
- not be currently or previously registered with LeavePlus
- have no related businesses registered with LeavePlus
- not have received formal written advice from LeavePlus (ABN welcome letters are okay)
- have no directors who've received a benefit from LeavePlus
- submit backdated return information within 28 days of registering
- pay all long service leave charges within 14 days of invoice

## Offer Period:

1 September 2025 – 30 June 2026

## Not sure if you qualify?
