

## ➤ RELATIONAL

Support people to overcome the collateral consequences of incarceration through high touch, high quality individualized and relational support, which honors each person's inherent value

---

## ➤ CONNECTED

Influence key levers for change by strengthening and expanding key partnerships

---

## ➤ TRANSFORMATIVE

Expand access to information, opportunities and resources for incarcerated and formerly incarcerated people, for self determination and success

---

## ➤ CULTURE & COMMUNITY FOCUSED

Build and model uncommon culture where people are valued, caring for one another is prioritized, abundance is realized, and people experience belonging and community

---

## ➤ EXCELLENT

Share THEI's values, model, and success with others and uplift high standards for higher education in prison and reentry programs
