

Privacy Policy

This policy describes the ways we collect, store, use and protect your personal information. You accept this policy by using our website or by purchasing our product. We may amend this policy at any time by posting a revised version on our website. The revised version will be effective at the time we post it

How we collect information

When you visit Saanroo®, we do not collect your IP address and standard web log information, unless you complete one of our forms.

The user's contact information and any personal data they provide is collected through form submissions only.

Third Party Tags that Saanroo® uses includes but are not limited to LinkedIn and HubSpot.

LinkedIn Insight Tag will collect data from the user, but it will only be shown to Saanroo® as reports and alerts about our website audience and performance. LinkedIn does not share the personal data of members with Saanroo®; they only provide reports and alerts (which do not identify members) to Saanroo®.

For additional information from LinkedIn please uses this link: <http://www.linkedin.com/help/linkedin/answer/a427660?src>

HubSpot may collect data from the user. The data collected depends on how what service of HubSpot is being used.

How we use the personal information we collect

Our primary purpose in collecting personal information is to provide you with a safe, smooth, efficient, and customized experience. We may use your personal information to:

- Provide the services and customer support you request
- Send notices about our services and troubleshoot problems
- Customize, measure and improve our services and the content and layout of our website.

How we use cookies

On the Saanroo® website there is a "session cookie" placed on the user's computer - However, users do not need to login to the Saanroo® website, the cookie is placed as soon as they enter the site. There is a pop-up disclaimer that displays on a user's first visit, the cookie helps recognize if the user has seen the disclaimer and hides it for the rest of the session.

How we protect and store personal information

Throughout this policy, we use the term "personal information" to describe information that can be associated with a specific person and can be used to identify that person. We store and process your personal information on our computers in the US, and we protect it by maintaining physical, electronic and procedural safeguards in compliance with applicable US federal and state regulations. We use computer safeguards such as firewalls and data encryption; we enforce physical access controls to our buildings and files; and we authorize access to personal information only for those employees who require it to fulfill their job responsibilities.

How you can contact us about privacy questions

If you have questions or concerns regarding this policy, you should contact us by writing to us at: info@saanroo.com
