## About the Opponent

The Bells have been on a tear lately, tying the AppleSox for the  
North Division lead heading into this series. Bellingham has won 8  
of their last 10 games.

Having already played 27 games, the Bells lose the first half crown  
to the AppleSox due to tiebreaker rules. That doesn't stop the  
reigning WCL champs from providing a formidable offence with  
leading batter Jaden Jackson and Noah Cassie's 6 home runs.

A strong bullpen backs up the Bells with five different arms holding  
0.0 ERAs after multiple appearances.

## Hawk Highlights

Carter Fink has continued to be a strong starter for Edmonton as  
he earned his second W of the season with a 6.0 inning  
appearance Friday. Fink has one of the top league ERAs

Mitchell Middlemiss has been on a hot streak with hits in 6 games  
in a row.

## Last Series

While the Hawks were only able to get two of their three games in against  
the Port Angeles Lefties due to rain, Edmonton was able to win both  
games.

Combining for 19 runs within those two games, the Riverhawks were able  
to keep their lineup activated and impactful.

## Hawks History

The Hawks are just a bit back of their record at this point last season with three games to go in the first half,  
they could tie 2025's record with a sweep of the Bells
