How Does It Work?

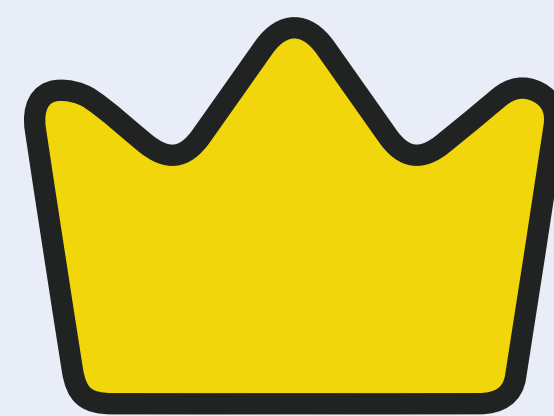

- 1 Anyone can nominate one of your team members by scanning a QR code that takes them to a form.
- 2 The individual then searches for your employee's name, selects a nomination reason, and adds a message.
- 3 Once created, the nomination can be reviewed and submitted. The employee will be notified via email.
- 4 You can see all external nominations for your team under the reporting tab within your HR dashboard.
