

SMS Recognition & Rewards Are Here!

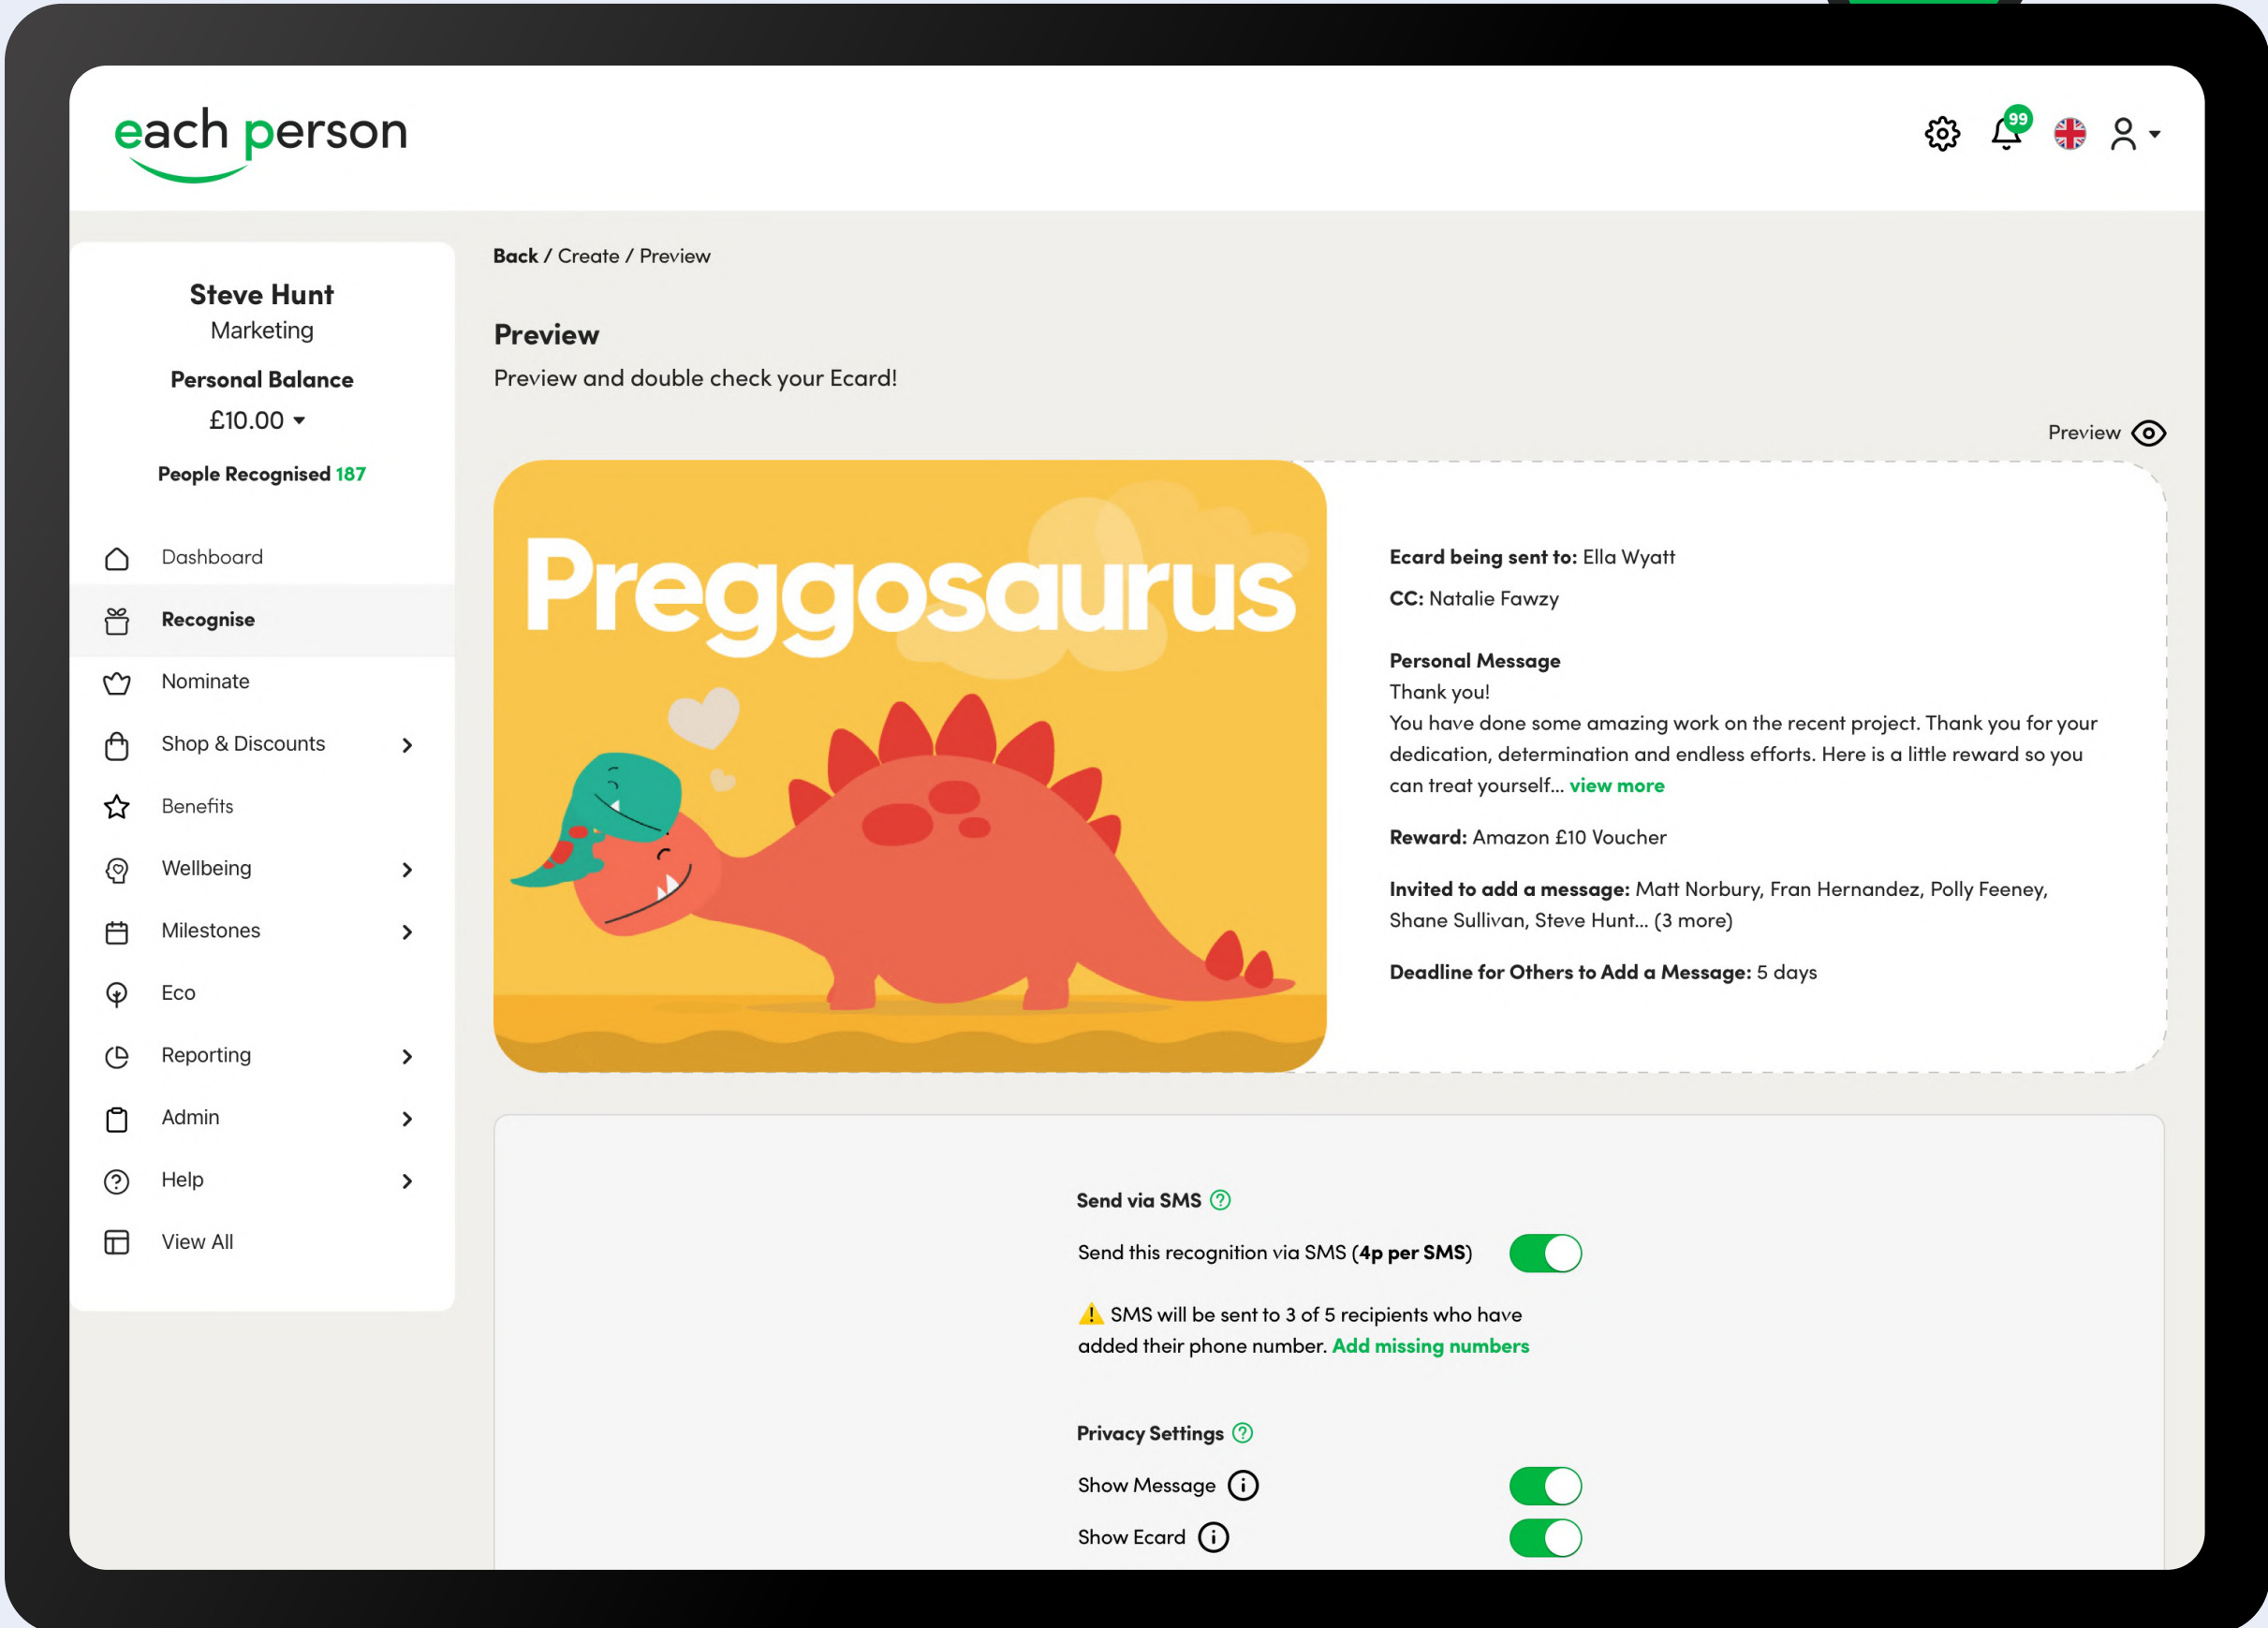

Whether they're on the go, in the office, or working remotely, you can ensure everyone feels appreciated anytime, anywhere.

Get started

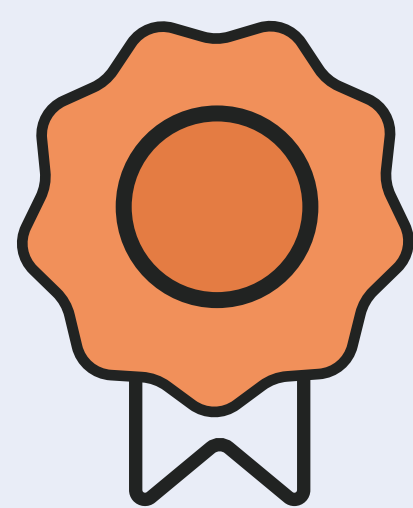

How Does It Work?

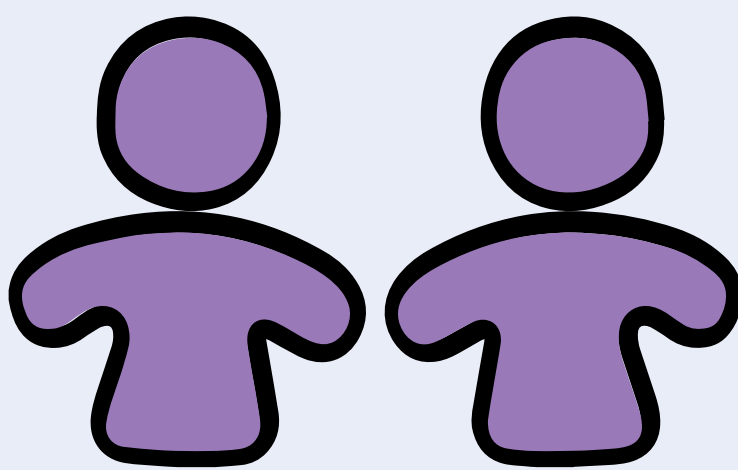

- 1 Start by selecting the 'Recognise' tab and pick the perfect Ecard to celebrate a peer or team!
- 2 Enter the recipient's name, recognition reason and write a personal message. You can even include a reward.
- 3 Once you are happy, a preview mode will be shown, which is where you can select 'Send via SMS'.
- 4 If the phone number is already there you are set to go! Or simply add it in and select 'Send Ecard' to finish.

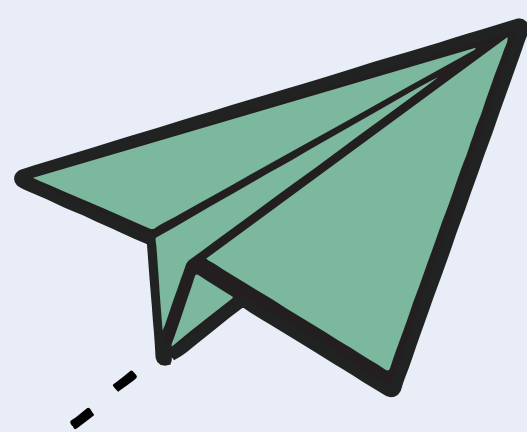

Accessible, Instant Appreciation Why Should You Send SMS Alerts?

Peers can instantly see their hard work or milestones being noticed
SMS alerts are great because everyone has their phone to hand.

Make recognition and updates inclusive and universal for all
Receiving recognition via text feels more personal and direct.

No app? No problem! Enjoy real-time thank-yous and gift alerts
Enjoy the benefits of Each Person without the app or website.

Enhance Workplace Inclusivity
Through Instant SMS Recognition
and Rewards Notifications.
