

Your Platform, Your Way! Personalise Your Entire Dashboard

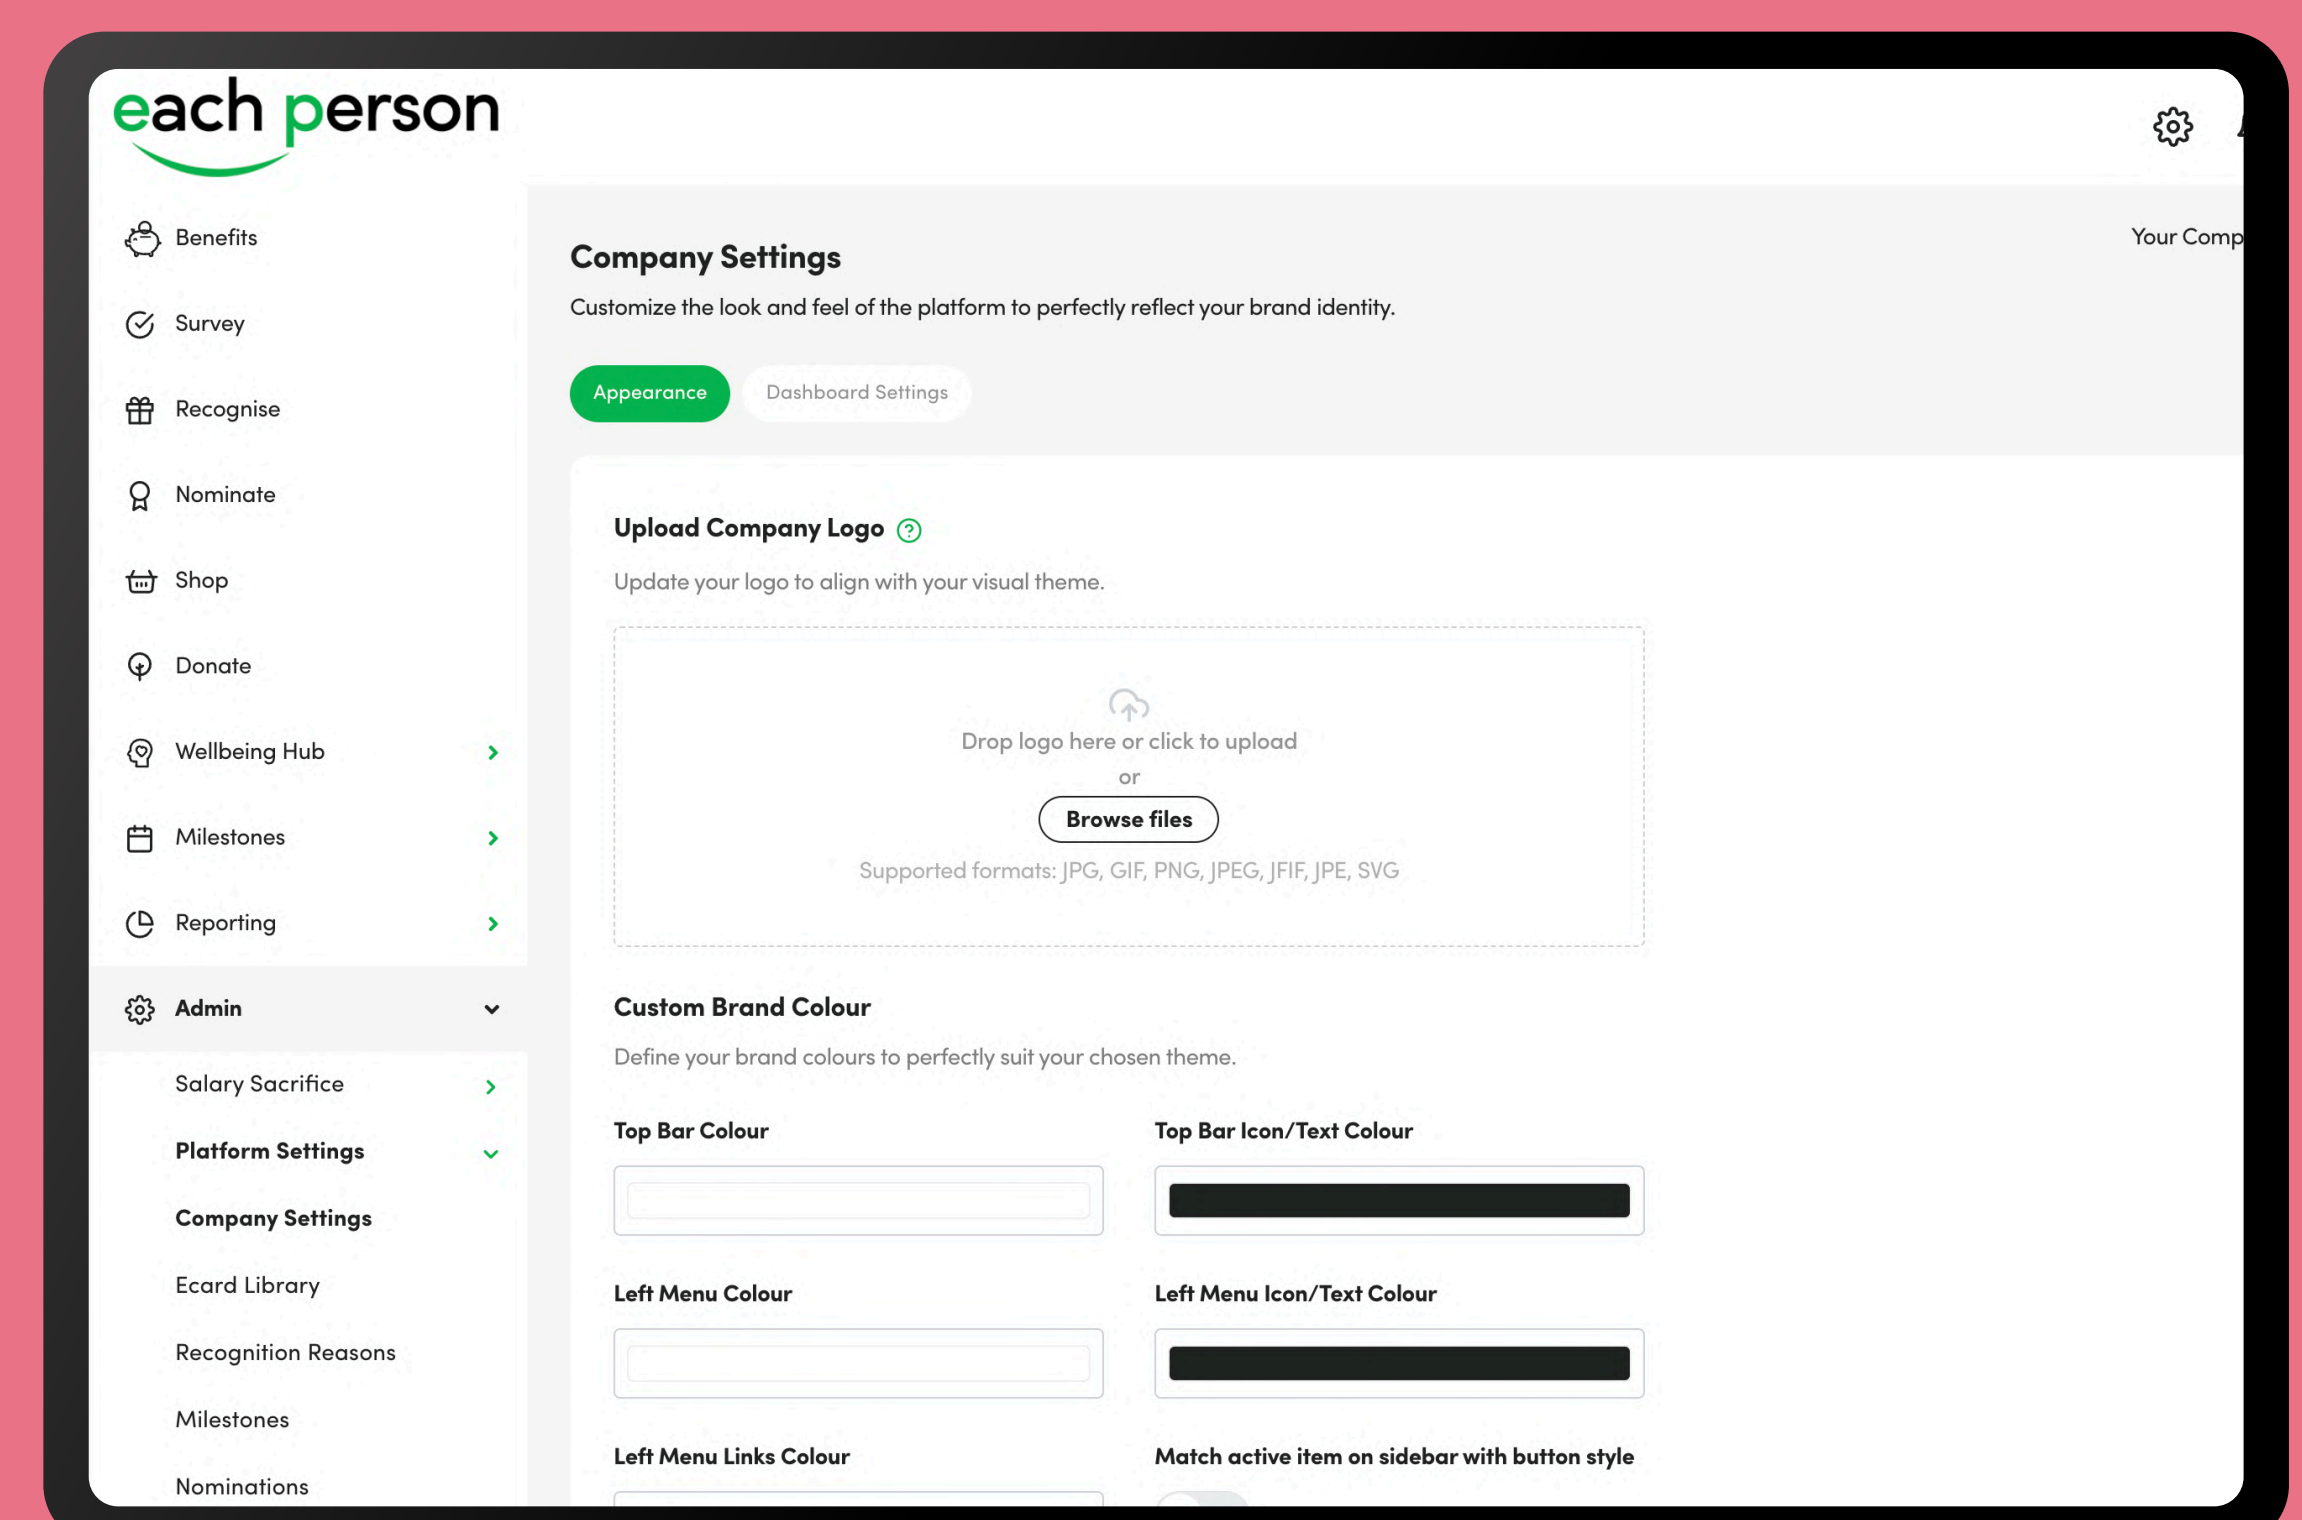

We know you love making your platform feel like home, and now, we've given you even more ways to make that happen. With our latest update, SuperAdmins can customise the dashboard like never before. Here's everything you need to know, and it's easier than you think.

Get started using the button below!

Edit dashboard

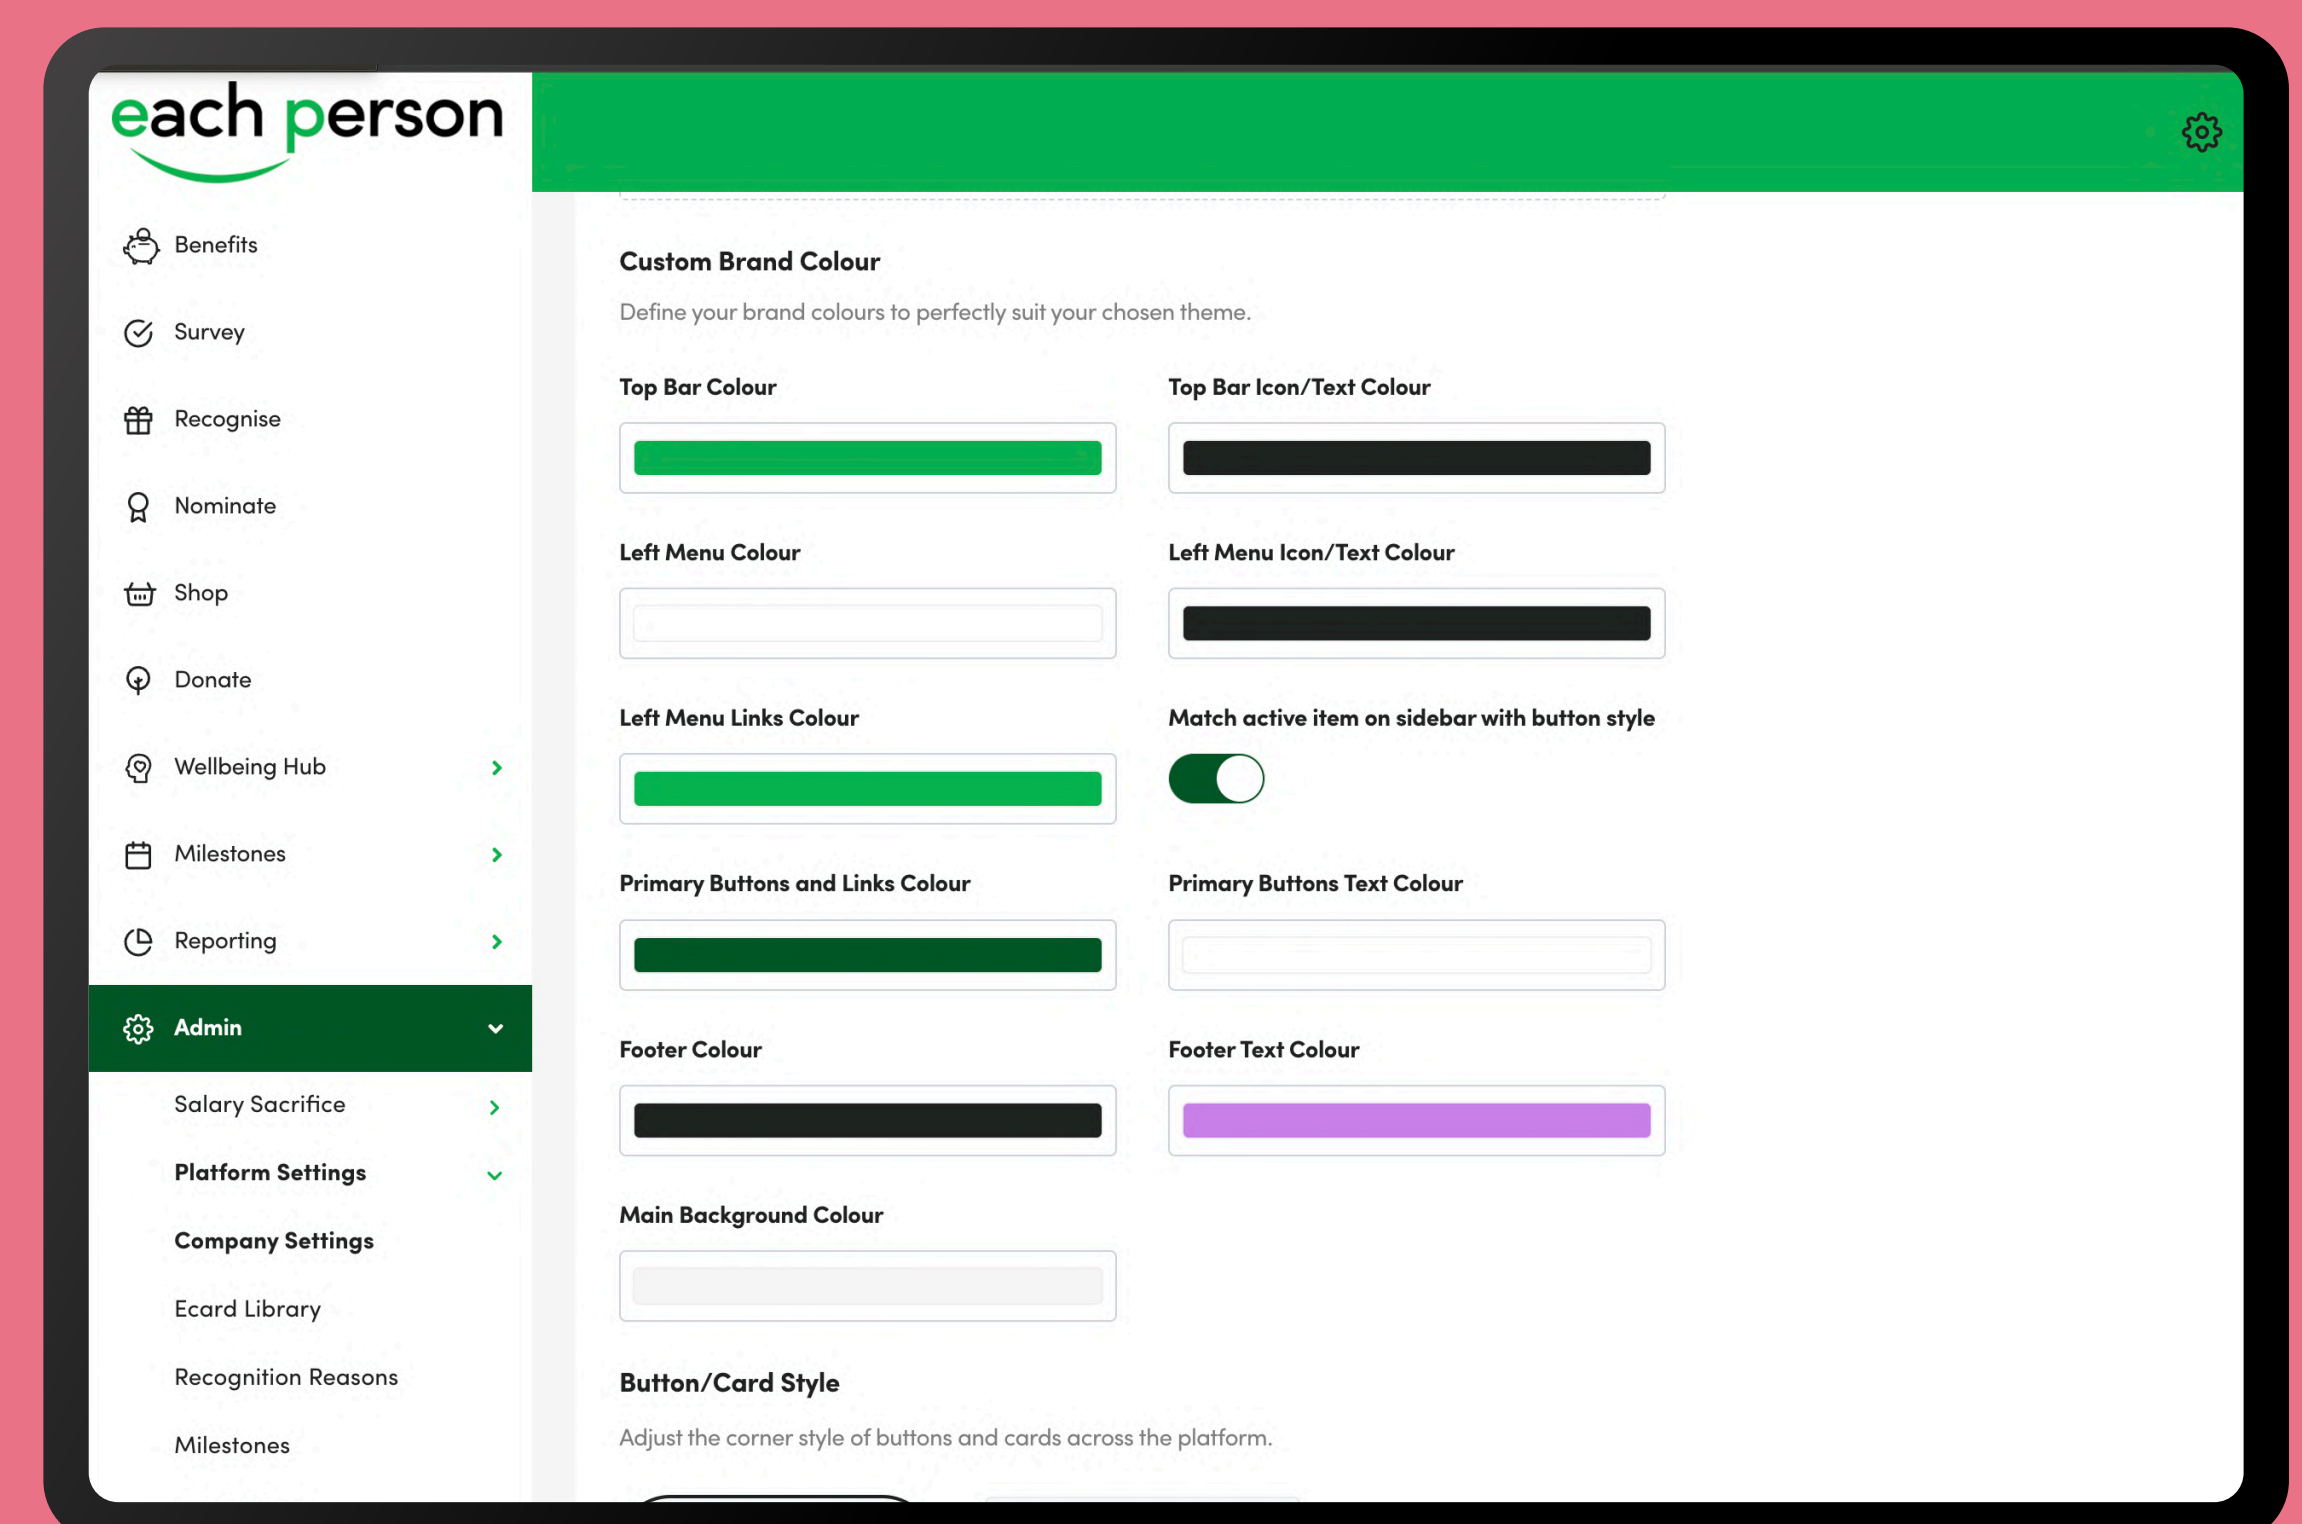

1 Are you ready for a change? Keep your platform fresh and engaging for your team!

To start editing your Dashboard head to 'Admin' - 'Platform Settings' and then select 'Company Settings'. From here you can browse new options to alter the look and feel of your platform for all of your users.

2 Under the Appearance tab, you now have the power to make your dashboard truly yours. Get creative with options such as:

- Company Logo Image
- Top Bar & Text Colour
- Left Pane Menu & Links Colour
- Primary Buttons & Links Colour
- Footer & Text Colour
- Main Background Colour

3 If you'd like extra support to ensure your platform is accessible for everyone, just let us know and we will happily walk you through options to make sure your branding has the right contrast.

So go ahead, make it bold, make it beautiful, make it yours. We can't wait to see what you create!
Note: It can also be reversed at anytime in a click of a button.
