

TWENTY 20.

4 Door Storage Unit
2 x Vertical Division, 4 x Adjustable Shelves

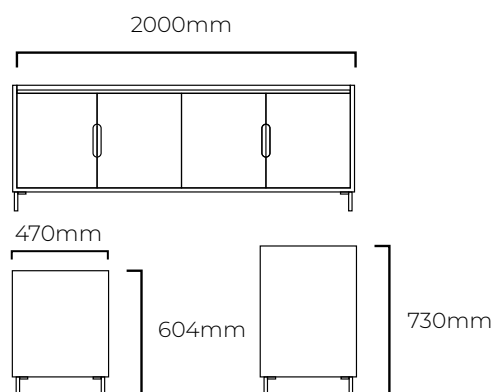

The Ergoform Twenty Server is a sleek and stylish storage solution for your home or office. With its clean lines and minimalist design, this server is a perfect statement piece for any space. The twenty spacious shelves provide ample storage for all your needs, and the shelves are adjustable to ensure that anything you need to store can be packed away. Whether you're looking for a place to store your files or a way to organize your office, the Ergoform Twenty Server is the perfect choice.
