

KOVO.

Task Chair

Compact and efficient, the Kovo is designed for practical workspaces that demand comfort and function. It features a breathable mesh backrest with height-adjustable lumbar support, paired with a tilt mechanism for relaxed posture control. The 80mm Class 2 gas lift enables smooth height adjustment, while the 320mm nylon base and 50mm nylon castors ensure reliable mobility. Ideal for modern, minimalist office environments seeking durable everyday seating.

Details:

- 50mm nylon castor,
- 320mm nylon base,
- 80MM class 2 gas lift,
- tilt-mechanism
- Height-adjustable lumbar support
- Mesh fabric Backrest

Finishes:

Seat Upholstered

Base 5 Star Nylon Base
