

LUXE.

Task Chair

The Luxe combines sophisticated adjustability with sleek, minimal lines. Featuring 360° double-axis adjustable PU armrests, a sliding seat, and an adjustable lumbar-support backrest, it adapts effortlessly to various postures and body types. A Korean KGS Class 4 gas lift ensures smooth height transitions, while the black nylon base and 60mm PU casters provide stability and ease of movement. Ideal for refined, ergonomic workspaces that prioritize both performance and polish.
