

ZIVA.

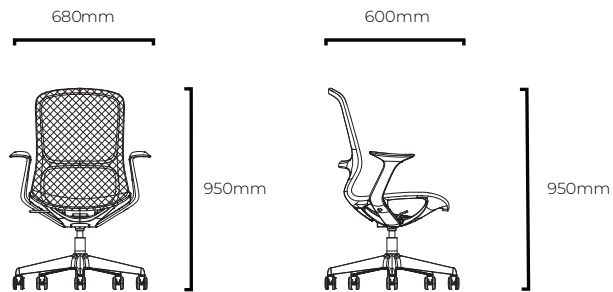

Task Chair

Sleek and supportive, the Ziva features a sculpted PP backrest and breathable full mesh seat for all-day comfort. Its fixed armrests maintain a clean silhouette, while the original position locking mechanism offers simple stability. A 3-stage gas lift with 100mm stroke and 70mm sink depth ensures adaptable height adjustment. Finished with a 330mm PP five-star base and smooth-rolling 60mm PU castors, Ziva is ideal for minimalist, high-efficiency environments.
