

# ZELU.

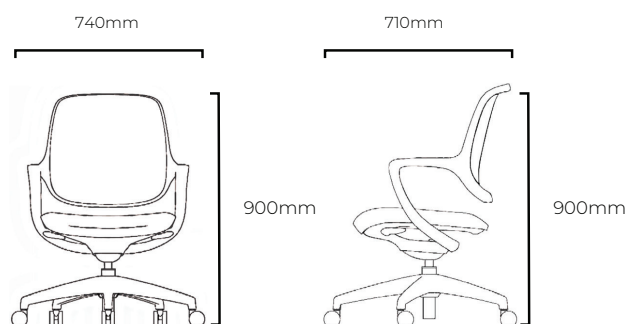

Task Chair

Designed with a seamless one-piece frame and engineered flexible plastic mesh, the Zelu delivers responsive support and clean, modern lines. It features a KGS Class 4 gas spindle, 60mm castors, and a 350mm nylon base for smooth, stable movement. Forward and backward tilt (5°/11°) enhances ergonomic comfort. High-durability textiles—100,000 rub polyester waffle inner and 60,000 rub outer upholstery—ensure lasting performance. Available in Black, White, Safira, Moss, Ochre, Nude, and Orange.
