## Melamine Colours:

\*Many colours are possible and the below are examples.

-  White
-  Folkstone Grey
-  Storm Grey
-  Brookhill Woodgrain

The Luno range is designed to complement the aesthetic qualities of modern executive office design; uncluttered and with simplicity. The Luno is defined by the style of the frame supporting the top. It stands on tapered legs with an elegant foot, which is rounded at the bottom. The styling gives this range a high-end flair and makes the Luno range an impeccable solution for office spaces. The iconic Luno meeting table is the result of fine workmanship. Characterized by custom-made top support with tapered legs. A must-have for the modern meeting room
