

PEX.

Companion

Elevate your office with the Pex Companion. This elegant accessory, comprised of a mobile frame, white board, a flip chart, a notice pin board and a U Channel marker holder, offers a sleek and functional solution for idea generation. The unique metal-bending technique employed by Ergoform ensures the stand is not only visually striking but also sturdy and resilient. Make a statement in your modern office with this sophisticated addition to the Pex range.
