

CALU.

Meeting table/Desk

The Calu Table combines clean geometry with tailored versatility. Its recessed top sits neatly within a refined aluminium frame that can be custom-sprayed to suit any palette. Designed to scale, Calu can be made in various sizes depending on board optimization—ideal for bespoke commercial settings. Choose from durable MDF or premium veneer finishes for the top, creating a surface that balances visual lightness with structural integrity.

Finishes:

Top	Recessed Veneer or MDF Top	Frame	Aluminium Sprayed any colour
