ECO Men's Retreat

August 28-30 | Hope Shores | Register by August 24

The Men's Retreat is just three weeks from now, and registration is in full swing. Jesus thought it was critical to come away from his daily activities and spend time with his disciples in fellowship, prayer, and reflection. That's what we're asking the men of Hope to do: to imitate Christ's disciples by coming to Hope Shores -- either for the full weekend or Saturday only. We'll have great teaching, sharing, food and fun—but first you have to make that choice: join the Hope men for this time away. Registration and more information is available in the Commons or from Dan Ritchie (dritchiemn@gmail.com)
