

Overhead Crane Light

Model No. SE-01-015 CL

Product Description:

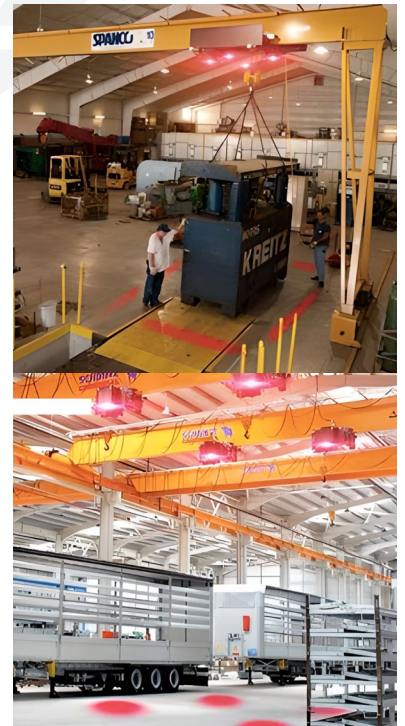

Introducing the SE-01-015 CL Overhead Crane Light, a high-quality lighting solution designed for overhead crane safety. This powerful light emits a bright, visible beam, clearly marking the crane's path and alerting workers to potential hazards, ensuring a safer work environment and minimizing the risk of accidents.

Overhead crane lights have two variant-

1. Overhead crane Linear light
2. Overhead crane Spot light

Product Features:

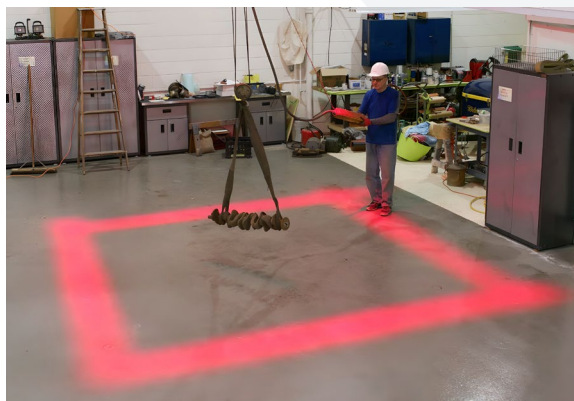

- ☐ Enhanced visibility for improved safety.
- ☐ Clear marking of the crane's path for hazard alert.
- ☐ High lumen output of 12,000 lumens for bright illumination.
- ☐ Two variants available: linear and spot.
- ☐ Long lifespan of up to 50,000 hours for durability.
- ☐ Wide operating range of 9-48 Volts DC for versatile power compatibility.
- ☐ Adjustable mounting bracket.
- ☐ One year warranty.

Product Specifications:

Power	72 Watts
Current	2.3A @24V Blue, 1.4A @24V RED
Voltage	9-48 Volts DC
Lumens	12,000 lumens(each light creates one line)
LEDs	24
LED color	Red
Working life	Up to 50,000 hours
Size	9" X 3.9" X 8.6" (228 X 98 X 220mm)
Working temperature	-40°~85°C

SE-01-015 CL		
Height	Line length	Line width
5 M	6.6 M	12 CM
8 M	10.6 M	19.2 CM
12 M	16 M	28.8 CM
15 M	20 M	36 CM
