About Space Team Aachen

The Space Team Aachen is a space science association founded by students of the Aachen universities. Our team is formed of ambitious students from a variety of fields who share the fascination for space exploration. Our team designs, builds and flies experimental rockets and scientific experiments. We set high, challenging goals in order to reach our best performance. We believe in equality and stand for the exchange of our aggregated knowledge.

Your responsibilities

As part of the EuRoC 2026 team you will be flying Space Team Aachen's next competition rocket with which we aim to compete in the 3 km SRAD hybrid propulsion category of the European Rocketry Challenge in October 2026.

As a Marketing and Sponsoring Officer you will be working on the non-technical side of the EuRoC 2026 project. You will be working closely with the EuRoC 2026 team as well as with both the marketing and sponsoring teams of Space Team Aachen. Your tasks will include:

- Acquiring sponsorships for the project
- Creating intriguing social media content to showcase the project
- Participating in tests and manufacturing to capture everything on camera

Our requirements

- Creative thinking
- Ability to work in a team together with other students
- Ability to take responsibility and work independently
- High motivation & reliability
- Fluent in English or German

What do we offer

- Be a part of a team of an association with over 100 members and some of the largest aerospace projects in Aachen
- Interdisciplinary teamwork in a highly motivated team
- Apply your theoretical knowledge in a real-world project
- Get in touch with like-minded people
- Participate in the biggest rocketry competition in Europe and have fun!
