8th June 2026

Thank you so much for considering applying for the post of Deputy headteacher at St Richard's Catholic Primary School. We are proud of our welcoming, nurturing Catholic community here in Atherton, and we hope you are also inspired to join us on the next stage of our journey.

The recent (April 2026) Ofsted inspection acknowledged many good points about the school, including the attention it affords to pupils' personal development and wellbeing: *Leaders have designed a coherent personal, social, health and economic education curriculum and Pupils enjoy a wide range of enrichment opportunities, including clubs and visits. They take part in a local sports partnership with nearby schools.* However, we know that there are matters we need to address, which will be clear from the Ofsted report.

The school is situated in an area of multiple deprivation. Both free school meals provision and the number of EAL pupils are above both local and national norms. Currently, most of our children are not Catholics. However, we seek to maintain an oasis of calm, love and service, and to witness to the love of Jesus in the community of which St Richard's is an integral part.

The school has an experienced and dedicated head and staff, who are supported by the local Catholic community via the board of governors, who are the employers. The school's trust deed requires that a majority of the board consists of foundation governors, and it is a similar requirement for senior posts, such as this, that the successful candidate be a practising Catholic who is able to provide a reference from (for example) his/ her parish priest.

I do hope all the information we have provided encourages you to consider whether this role is for you. If there is anything else – please do ask.

I do look forward to meeting you!

With warm regards

Andrew Bowyer

Job Description

Deputy Headteacher

St Richard's Catholic Primary School

Introduction

The school has been designated by the Secretary of State as a school with a religious character. Its instrument of government states that it is part of the Catholic Church and is to be conducted as a Catholic school in accordance with Canon Law, the teachings of the Roman Catholic Church and the trust deed of the Archdiocese of Liverpool. At all times the school is to serve as a witness to the Catholic faith in Our Lord Jesus Christ. The role of deputy headteacher therefore requires a practising Catholic who can show by example and from experience that they will work with the headteacher to ensure that the school is distinctively Catholic in all its aspects.

This appointment is with the board of the school under the terms of the Catholic Education Service contract signed with the board as employers. It is subject to the current conditions of service for deputy headteachers contained in the *School Teachers' Pay and Conditions* document and other current education and employment legislation. In carrying out their duties the deputy headteacher shall consult with the headteacher and, when appropriate: the board, the Diocese, the local authority, the staff of the school, the parents of its pupils, the parish(es) served by the school and other local Catholic schools, particularly where collaboration or federation is being developed.

This job description is based on the key areas identified in the *Headteachers' Standards* published by the Department for Education (2020). It recognises the role of the deputy headteacher is sharing responsibility for the leadership of the school.

The board and the Diocese acknowledge the importance of the role of the Catholic deputy headteacher and will actively offer long term support, encouragement, affirmation and realistic challenge to the successful candidate.

The board and the Diocese are committed to safeguarding and promoting the welfare of children and young people and vulnerable adults and the headteacher must ensure that the highest priority is given to following the guidance and regulations to safeguard them. The successful candidate will be required to undergo an enhanced check for Regulated Activity from the Disclosure and Barring Service.

The core purpose of the deputy headteacher is to assist the headteacher set and implement the strategic direction of the school and to provide professional leadership and management to drive achievement of high standards in all areas of the school's¹ work, particularly in ensuring the provision of sustainable outstanding education through the preservation and development of its Catholic character.

The school's objectives relate to the provision of Catholic education and the school is part of the Catholic Church and, as such, is to be conducted as a Catholic school in accordance with Canon Law, the teachings of the Catholic Church and the trust deed of the Archdiocese of Liverpool. **Therefore, the post of deputy headteacher must be filled by a practising Catholic² who can show, by example and from experience, that they will ensure that the school is distinctively Catholic in all aspects.**

- ensure that personal beliefs are not expressed in ways which exploit their position, pupils' vulnerability or might lead pupils to break the law, but are always orientated to the service of others in light of the Gospel.

As leaders of their Catholic school community and profession, deputy headteachers:

- serve in the best interests of the school's pupils

THE APPLICATION FORM – GUIDANCE ON COMPLETING SPECIFIC SECTIONS

Details of the Role Applied For

Applicants should complete this section of the Form by inserting the relevant information and ticking the appropriate boxes.

Personal Details

Applicants should insert the requested details and tick the relevant box in order to indicate how they would prefer to be contacted.

If an applicant has obtained qualified teacher status from a jurisdiction other than England or Wales they should insert their membership number for the relevant teaching profession regulator and provide details of the specific regulator.

Support staff and Lay Chaplain Application Forms only – if applicants have not obtained qualified teacher status they should leave this section blank.

Details of Present Employment

Applicants who are not currently employed, should tick the box that says “no” and proceed to the next section.

Employment History

Applicants should provide full and accurate details of relevant employment history and professional or work experience starting with the most recent. They should not repeat the information provided (if applicable) relating to present employment. Where the applicant is a student seeking a first-time appointment, they should provide details of all teaching practice to date (if applicable).

Other Employment / Work Experience

Applicants should provide details of all other employment and paid or unpaid experience after the age of 18 (e.g. employment unrelated to the teaching profession, voluntary work etc).

Applicants must ensure that there are no gaps in the chronology of their education and / or employment history from the age of 18 to the present day and space has been provided on the form for this information. Failure to provide a full account may lead to an application being rejected.

Applicants must declare whether they have ever been ordained and / or been a member of a religious community. Where the answer to this question is ‘yes’, the Applicant must provide full details and expect that this will be discussed in more detail if they are successfully shortlisted for interview, more particularly in relation to their Canonical status and whether the Applicant is subject to any restrictions which may affect their suitability for appointment to the post applied for.

Post-11 Education and Training

Applicants should provide details of education received in this country and / or abroad, academic vocational qualifications obtained including degrees, with class and division, and Teacher Certificates. Applicants must include postgraduate and professional qualifications. Applicants are advised that they may be required to produce evidence of qualifications attained. Please ensure that all relevant classifications and grades are included.

Catholic Certificate in Religious Studies (“CCRS”) – this was formerly known as the Catholic Teachers’ Certificate and the Certificate in Religious Education.

Teacher post Application Forms only – applicants should state which subjects they are qualified to teach including other subjects for which they may have experience to teach. Applicants should also provide details of any other specialisms and special areas of teaching interest.

Senior Leadership posts only - the CES recognises that the NPQH is no longer a mandatory requirement in England but applicants should still provide details of the NPQH where requested in the Application Form as a potentially desirable qualification. Applicants for Headteacher posts in Wales must provide details of the NPQH as this remains a mandatory requirement for first Headship appointments.

Supporting Statement

Applicants should ensure that their supporting statement is clear and concise and does not exceed 1,300 words. It is preferable, although not compulsory, that the supporting statement is typed rather than handwritten.

References

All applicants are required to provide details of at least two, and up to three, referees. A referee who is a current or former employer must have full access to the applicant's personnel records. This is in order to ensure that the information provided is accurate.

There may be situations where the referee does not have full access to an applicant's records for data protection and privacy reasons. If that is the case, the referee will need to be in a position to complete the reference to an acceptable standard with information relating to the applicant's dates of employment. All posts are subject to satisfactory references.

It is the applicant's responsibility to ensure that they have obtained their nominated referees' explicit consent to pass on their contact details. Not only is this a matter of courtesy but it ensures that the General Data Protection Regulation is being complied with. **Please also complete the Consent to Obtain References Form and return it with your application.**

Applicants must advise the school / college if they do not want them to contact any of their referees and provide reasons. For example, where applicants are currently employed, they may not wish the school / college to contact their employer until such time that they have given notice to terminate their employment.

Applicants are advised that schools / colleges designated with a religious character in England and Wales are permitted by law to require certain posts to be filled by practising Catholics. In certain specific circumstances, it is possible that a temporary post may be filled by a person who is not a practising Catholic and there is no intention to deter suitable applicants from expressing their interest.

Senior Leadership posts – Applicants are advised that the 'Memorandum on Appointment of Staff To Catholic Schools' provides that 'the posts of Headteacher or Principal, Deputy Headteacher or Deputy Principal and Head or Coordinator of Religious Education are to be filled by practising Catholics'. The Memorandum may be viewed by visiting the CES's website at:

<http://www.catholiceducation.org.uk/employment-documents/bishops-memorandum/item/1000049-memorandum-on-appointment-of-teachers-to-catholic-schools>

Teacher posts – Applicants are advised that schools / colleges are entitled to give priority to Catholic applicants. A higher degree of priority may be given to practising Catholic applicants but applications from all Catholic applicants (whether practising or not) are eligible to be given priority over applicants who are not Catholic. Nevertheless, applicants who are not Catholic are welcome to apply.

Support Staff posts – Applicants are advised that schools / colleges (in England only) are entitled to give priority to Catholic applicants where it can be demonstrated that attaching this requirement to a particular post is a proportionate means of achieving a legitimate aim (commonly known as a "genuine occupational requirement"). The recruitment documentation should make clear whether this requirement applies to the post.

Definition of “practising Catholic” – Schools / colleges may provide guidance to the applicant regarding the definition of a “practising Catholic” with the application pack and / or in the event that the applicant is shortlisted for interview.

In summary, all suitably qualified Catholic applicants, regardless of the teaching post for which they are applying, are eligible to be given preference over applicants who are not Catholic. Practising Catholic applicants should nominate their Parish Priest as one of their referees. Those applicants applying for the permanent Senior Leadership posts referenced in the Memorandum must provide such details.

For other teaching posts, Catholics who do not consider themselves to be “practising” may provide a copy of their baptism certificate with their application form, instead of providing a Priest’s reference. Alternatively, they should provide details of the name and address of the Parish where they were baptised and the date of their baptism. For support staff posts, the recruitment documentation should make it clear if being a Catholic is a requirement for the post.

In the event that an applicant is appointed, any failure to disclose the existence of a relationship, whether it be by marriage, blood or as co-habitee, between the applicant or their spouse / civil partner / partner, with a member, or an employee, of the Governing Body of the school / college where the post is situated may be considered a disciplinary offence warranting summary dismissal.

Right to work in the UK

The Governing Body is under a legal duty to require all members of staff to provide documentary evidence of their entitlement to undertake the position applied for and to ensure that they have an ongoing entitlement to live and work in the UK. These checks need to be carried out for every person the Governing Body employs regardless of race, ethnicity or nationality. Therefore, on receipt of a conditional offer of employment, and before a successful applicant commences their post, they must provide supporting evidence of their right to live and work in the UK.

The Home Office guidance entitled “An employer’s guide to right to work checks” provides a list of the documents that can be provided to demonstrate an applicant’s right to live and work in the UK (see Annex A of the guidance).

The Home Office guidance is regularly updated to reflect changes in immigration law. It is important that applicants refer to the current version. Applicants should expect to provide originals of the documents listed in Annex A to the Governing Body as evidence of their right to work in the UK. Verified copies will then be taken of the original documents as required.

Language requirements for public sector workers

The ability to communicate with members of the public in accurate spoken English and / or Welsh is an essential requirement for public facing posts. The Public Sector Workers Code of Practice notes that “to serve the public it is vital that those working in public-facing roles can communicate in English, or in Wales, English or Welsh”¹. The standard of language required is satisfied if it is sufficient to enable

the effective performance of the person's role². Please note that this language requirement may be in addition to mandatory English language requirements associated with an applicant's immigration route.

Public facing roles within the public sector would include leadership teams, teachers, support staff and others employed to work in publicly funded schools.

Declaration

The Governing Body has a duty to make a report where an applicant provides false information in prescribed circumstances in accordance with the Education Act 2002.

² S.77(8) Immigration Act 2016

The Disclosure Form will only be seen by those persons within the school / academy / college and / or Governing Body / Academy Trust Company / Multi-Academy Trust Company who are required to see it as part of the recruitment process if you are the preferred / one of the preferred candidates for the position.

MODEL REASONABLE ADJUSTMENTS STATEMENT

We understand that some disabled applicants may, due to the nature of their disability, find some parts of the recruitment process challenging. We aim to ensure that all applicants are provided with the same opportunities during the recruitment process and, to that end, we strive to comply with the duties placed upon us to make reasonable adjustments as prescribed by the Equality Act 2010.

Should you have a disability and require a particular adjustment to be made to allow you to fully participate in the recruitment process, please ensure that this is made known to the person identified in the Invitation to Interview Letter when confirming your availability to attend interview. Our duty to make reasonable adjustments only applies where we know about, or ought reasonably to know about, your disability so it is important that you provide this information to us (details for the relevant person to contact will be provided in your Invitation to Interview Letter).

Below is a non-exhaustive list of some of the types of adjustments that we may make to ensure that the recruitment process is fair to all applicants, if it is reasonable to do so in all the circumstances:

- Modification to Documentation – this may include providing documents in large print, in Braille format or in audio format and/or providing oral instruction on documentation for those applicants with a learning disability;
- Modification of procedures for testing and/or assessment – this may include allowing an applicant to provide oral answers as opposed to written where the applicant has, for example, a disability which affects their manual dexterity.
