

**To:** Town Board of Wales NY

**Subject:** Permit Review – Shed Construction

Dear Members of the Town Board and Twin Forest LLC/David Schwab,

Upon review of the permit application submitted for proposed installation of a shed(s) at 11665 Carpenter Rd. I must inform you that the construction of said shed(s) does not comply with the zoning regulations set forth in the Town Code.

Therefore, the shed(s) cannot be permitted as proposed. Alternatively, the applicant may seek a variance through the Zoning Board of Appeals. Approval is not guaranteed and may require formal hearing.

Please let me know if further clarification is needed or if assistance is required in revising the site plan.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel O Whitehead", written over a horizontal line.

Daniel O Whitehead  
Code Enforcement Officer Town of Wales
