Dear Local Business or Organization,

After the success of our 2025 Post Prom event for our high school students, we at Holland High School are excited to share that we are now planning for the 2026 Post Prom. This year more than ever, we need your help to ensure that it will be a safe and memorable event for all the juniors and seniors of Holland High School. Prom night should be a celebration of years of hard work but unfortunately it can also be a time when poor decisions can lead to tragedy. It is our goal to offer a safe, healthy, and alcohol-free after-prom event for our students to continue to celebrate.

For years, Holland High School and Holland PTO have been proud to host this post-prom event **FREE OF CHARGE** to all the juniors and seniors at Holland. This has been possible in the past because of the generosity of local businesses and community organizations. **This year our post prom will begin immediately after prom on Friday, May 29.** Last year, we had just over 100 students attend our post prom.

It is because of our local businesses that Holland Post Prom has been successful. We are so grateful for your past generosity, and we need your help again. **It is through your donations that Holland Central School has been able to provide this fun alternative to our students with live entertainment, games, activities, music, food and amazing prizes.** To keep this event going, we are asking your business to donate in any way possible: t-shirts, merchandise or gift cards for prizes, financial donations, and food/desserts would all be greatly appreciated. If you can donate, please fill out the form attached to this letter and send it to the address below.
