Mr. Andrew Pudlewski  
6113 Vermont Hill Rd  
Soth Wales, NY 14139

Dear Mr. Andrew Pudlewski

This letter is to inform you that I have denied your application for a Building Permit to build a Pole Barn in front of your house. The permit is denied because Wales Town Code (Sec.200-22) does not allow for a detached accessory building located in front of the primary building.

In order to proceed your application, you must complete a Request for Variance Form and pay a \$100.00 non-refundable fee. Present this letter and fee to the Town Clerk and she will give you the Variance application.

I will also be informing Mr. Edward Wilkolaski, Chairman of the Zoning Board of Appeals, by copy of this letter, of your request.

Sincerely,

Daniel O Whitehead  
Town of Wales Building Inspector & Code Enforcement Officer
