IMPORTANT CART PLACEMENT INFORMATION

The placement of carts at the curb is very important since the truck's lifting arm requires a clearance of 3 feet on either side of the cart and 12 feet overhead.

The carts should be no more than 2 feet away from the road's edge, with the arrow facing the road and the handles facing the house.

Leave 3 feet between your solid waste and recycling carts when placing them curbside to allow the truck to collect both easily.

Carts are the property of the Town and should remain at their designated properties. You are encouraged to mark the inside of your cart with your property address. Should you cart require repair, please call the Town at (716) 652-05899 ext. 2

Place wheels of cart toward house.

Keep space between carts and other objects.

Do not obstruct collection of carts or bulk items by parking vehicles in the vicinity. Keep area clear for easy access by collection truck.

All trash must be bagged and fit inside the cart with the lid firmly closed.

Please have all carts at the curb by 6 a.m. on your collection day
