PETER BUFFERY

Composer & Sound Designer

Peter Buffery is a London based Composer and Sound Designer, working primarily in theatre. His versatile practise is comprised of computer-based composition and song writing. Through sampling and synthesis, Peter creates a rich palette through which he strives to to tell stories in interesting ways. He has an extensive background in sound engineering, having Sound Engineered and/or operated for companies such as Kneehigh, Battersea Arts Centre, Attenborough Centre for the Creative Arts, Komedia and Park Theatre.
