

Music Commission PRICING ORIENTATION

Manuel is a highly skillful professional, yet in this very changing times for art expression, he is exploring new ways. So, this is a flexible guide that can and will be personalized during the Commission Request.

For the prices in this guide, we have considered:

- usual Hourly Rates for a freelance composer like Manuel (Entry-mid career level)
- a basic use-license for performance only

Yet, the hourly rates depend in a few important factors like:

- Project Complexity and Scope
- Length of the music required
- Urgency
