

Comprehensive Hearing Health
from Prevention to Intervention

Tuned is your all-in-one virtual hearing benefit, offering hearing screenings, expert support, and high-quality hearing devices – all from the comfort of home.

The Tuned benefit includes:

- ✓ **Hearing Screening:**
A 10-minute annual **virtual** hearing screening.
- ✓ **Consultations:**
Up to three (3) virtual consultations per year with a licensed audiologist to review screening results.

Tuned also offers **referrals** for balance, tinnitus and pediatric specialists.
- ✓ **Solutions:**
Tuned offers the most comprehensive suite of hearing products, with **no out-of-pocket costs***:
 - Prescription hearing aids
 - FDA approved Over-The-Counter hearing aids including Apple AirPods Pro2 setup
 - Earplugs and hearing protection
 - Tinnitus management apps

**One covered device every 3 years*
