

Full Spectrum Hearing Health  
from Prevention to Intervention

Tuned is your all-in-one virtual hearing benefit, offering hearing screenings, expert support, and high-quality hearing devices – all from the comfort of home.

### The Tuned Stereo benefit includes:

- ✓ **Hearing Screenings and consultation:**  
Unlimited virtual hearing screenings  
**PLUS** one virtual consultation per year with a licensed audiologist to review screening results.
- ✓ **Insights:**  
Members receive tailored reports, focusing on overall hearing health and hearing related issues.
- ✓ **Solutions:**  
Members have access to:
  - Personalized product recommendations with referral codes for Rx hearing aids, OTC hearing aids, tinnitus management apps, and hearing protection.
  - A curated library of educational resources based on their unique hearing profile.
