### Principal's Message

Dear Parents and Carers,

Although this week and last week have been shorter weeks, it has still been busy at Tylden Primary School!

Last Friday, during our Curriculum Day, we spent the day looking at our current Curriculum Units across the school and recapping on the essential elements of teaching and learning at Tylden. Staff worked hard to begin preparations for their Term 3 Curriculum Unit Plans. This was a great opportunity for all staff to work collaboratively and really highlighted for me the great work that happens on a day-to-day basis in all classrooms.

Teachers are currently hard at work, collating and finalising the Semester 1 reports. We are hoping to be able to send the reports home on Friday the 27<sup>th</sup> of June. Parent/Teacher interviews will then be available the following week on Wednesday the 2<sup>nd</sup> and Thursday the 3<sup>rd</sup> of July, which is the final week of the term.

On Wednesday, we welcomed home our Grade 5/6 students who attended Somers Camp. Despite some of our students getting sick, it sounded like they all had a wonderful time and enjoyed the activities on offer and the chance to challenge themselves and make new friends.

Over the past 3 Wednesdays, we have been lucky enough to have Joseph from Kelly Sports work with all classes to learn the skills involved in playing golf. We have one more session, this coming Friday. It has been great to see all the students engaged and enjoying this special opportunity.

This week, we have been celebrating German Week. It has been great seeing the fun activities happening during German Classes. Whilst the Prep students are not learning German this semester, they have been lucky enough to participate in some fun classroom activities as well. A big thank you to Ms Hodgman for her organisation with this.

Just a friendly reminder, that when you are dropping off or picking up students from out the front of the school to please be mindful that you are not parking across or in resident's driveways or moving their rubbish bins. I have had few reports of this happening, and it makes it challenging for our local residents.

Have a wonderful weekend.

Kind regards,

Bree Sliwczynski

Principal

### STUDENTS OF THE WEEK

Pictured: Quillen, Willie, Eliza, Charlie, Ivy & Cooper

## STUDENTS OF THE WEEK

**Ivy**—For a great effort with your information writing piece about our African countries. Keep up the good work.

**Willie**— For your fantastic work on the Habitats and Change unit. We love your fantastic knowledge on animals and the way you share it with the class. Keep it up!

**Quillen**— For being so eager to learn how to write a sentence! You are working so hard. Keep up the great work!

**Eliza**— For working hard to improve your writing. You consistently look for ways to add description and create work that is engaging and fun to read. Keep it up!

**Cooper**— For displaying respect to your class members and working hard in maths this week. I am very proud of your efforts.

**Charlie**— Your persistence to improve your writing this week has been great to see. Keep challenging yourself, you're doing great!

## SOMERS CAMP

12 students from Tylden Primary attended Somers Camp. It was a nine day experience with 160 kids from many different schools in Macedon Ranges and Bendigo areas. There was many activities including the Challenging swing 18.5m tall, flying fox, orienteering, row boating, beach activities, and visited Coolart mansion, bush cooking and we made damper. Saw many sea animals including Port Jackson shark, fresh water turtles, snakes. Met lots of new people and made lots of new friends. We had such a great time. **By Willow & Oscar**

## ALL THINGS NUMBERS IN PREP

In maths, we have been learning how to use a number line! To help us understand how a number line works, we each represented ourselves as a number. We then worked as a team to put ourselves in the correct order, from 0 - 10. This was so much fun!

## FROM THE OFFICE

- Book club orders are due today. Please use the online Loop system to order.
- We still have a number of families that have not returned their child's Photography, filming & Videoing consent form. If you have misplaced this and require any one sent home please email the school.
- Gr 4&5 Camp forms were sent home this week. Could all forms be returned to school by 1st July 2025
- CSE&F if you hold a concession card you are eligible to apply for this fund can you call into the office to collect a form.

## CELEBRATING GERMAN WEEK

Students participated in a range of activities as part of our German language celebrations this week. Grade 4,5 and 6 students learned about the history and traditions of pretzels, and took part in a pretzel relay race. Students in Grades Prep to 3 explored the tradition of Lebkuchenherzen (Gingerbread hearts) and created their own cardboard heart to gift to someone special. We have also heard a selection of German music over the week, some classes have learned a fun German dance and all students have had the chance to guess how many "Gummibärchen" are in the jar and Mr Miller even came to school dressed up in a traditional german outfit.

## GOLF ACTION

Over a 4 week period students in Gr 1-6 have been learning about golf. Having lots of fun, staying active and learning new skills. Who knows we may have the next Adam Scott and Karrie Webb amongst us here at Tylden.

## This week @ schoolsOUT

This week at SchoolsOUT was MINECRAFT week!

A fan favourite amongst ALL the children.

Our Minecraft activities were so fun, we played Minecraft memory, creeper tag, Steve says and more!

On Wednesday we made Nachos, they were sooo yummy! We meditated in our new quiet time area, and we all found a love for pusheen the cat, she is our new favourite colouring in!

On Thursday we had an airplane competition in the shed and made our own obstacle course! Everyone was such a help to set up what they wanted and pack it all back up again.

## Reminders

Reminder to start booking in for school holidays, we have so many fun packed days running right here at Tylden!

## 2025 Active Living CENSUS

Live in Greater Bendigo, Campaspe, Central Goldfields, Loddon, Macedon Ranges or Mount Alexander Shire? We're calling on **YOU** to have your say!

**What is the Active Living Census?**

The ALC is a community survey that asks about:

- ✓ Physical activity participation
- ✓ Fruit and vegetable consumption
- ✓ Barriers to being healthy and active

**Why does your voice matter?**

Your input will help guide decisions about programs, recreation spaces, and services in your community. Whether you're active or not, it's your chance to shape the health and wellbeing of your community – and it only takes 15-20 minutes.

**Participate, don't wait!**

- ✓ Quick and confidential
- ✓ WIN your share of \$10,000 in prizes!
- ✓ Open to everyone! No matter your health or activity level, we want to hear from you

*Help shape a healthier tomorrow,  
one answer at a time!*
