### Principal's Message

Dear Parents and Carers,

We have had a high number of unwell students and a few reported cases of Influenza B this week. Whilst attendance is very important to us at Tylden Primary School, we understand that students get sick from time to time. If your child / children are unwell, please ensure that you keep them home so that they can rest and recover.

With the colder weather, please ensure that children have a warm jacket and a change of clothes placed in their school bags. With the wetter weather comes the possibility of students falling and getting dirty while playing and the school only has a very limited supply of spare clothes for emergencies.

On Wednesday, we had our last session with Joseph from Kelly Sports, learning the skills involved in playing golf. It was great to see all students involved in these sessions and developing their golfing skills! Thank you to Sarah H for organising this for the whole school.

Teachers are currently hard at work, collating and finalising the Semester 1 reports. We are hoping to be able to send the reports home on Friday the 27<sup>th</sup> of June. Parent/Teacher interviews will then be available the following week on Wednesday the 2<sup>nd</sup> and Thursday the

3<sup>rd</sup> of July, which is the final week of the term. You will find a slip at the back of this newsletter if you wish to make an appointment. Please be mindful times are for ten minutes, if you require more time you will need to arrange a further appointment at another time.

Just a friendly reminder, that when you are dropping off or picking up students from out the front of the school to please be mindful to not park over the School Crossing and to remember that Clowes Street is always a 40km zone.

In the mornings, the school gates open and there is a staff member on duty from 8.40am. For the safety of our students, we ask that students are not on the school grounds prior to 8.40am as there is no staff supervision before this time. Thank you for your support with this.

Have a wonderful weekend.

Kind regards,

Bree Sliwczynski

Principal

## STUDENTS OF THE WEEK

**Dylan**— For showing wonderful improvements in every aspect of literacy. Your reading is coming along beautifully and I love reading your comprehension responses. Keep it up!

**Ella T**— Ella you have worked extremely hard on improving your times tables recall. You're starting to see results and your confidence is growing! Well done. Don't Stop Now!!

**Scott**—For making fabulous progress with your reading. You have put in so much work and results are amazing. Keep it up.

**Isla** - For working so hard with your letter formation. You always make sure you start in the correct spot. Well done!

**Isabelle**— For a wonderful effort with your writing pieces. Congratulations on getting your pen licence,

## TYLDEN DOWNBALL CHAMPIONSHIPS

Throughout Term 2, Tylden Primary School has been down ball (four square) crazy. The inaugural Tylden Primary School Golden Downball championship tournament has been run during lunchtimes. Huge crowds have gathered to cheer on the competitors in what turned out to be an amazing display of downball skills and fantastic sportsmanship. Trick shots were played to perfection, rallies were epic and liners and cherries decided players fate as one by one each year level from grade three upwards played off to decide their year level champion. These highly skilled players then played off in the very first Champion of Champions Golden Downball play offs. The play was fierce and the crowd was going nuts, at the end of the day once the dust had settled, there could only be one Champion of Champions as Ryan Roberts defeated Sam Holloway in the final. Congratulations Ryan and Sam on your awesome skills and terrific sportsmanship. Congratulations too go to Raphy S and Remi W for there amazing efforts in reaching the final four finals. Presentation of the coveted "Golden Downball" will be held at next weeks assembly. And with the popularity of this years tournament I'm sure there will be another tournament next year, so get out and start practising.

## THIS WEEK IN STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM

Pizzas and a Winter Green Salad made for a very yummy lunch today. We made 3 types of pizza, Hawaiian, Capriccioso and Garlic Cheese. We made the dough and then each table made a different flavour. The Winter Green Salad had loads of healthy veggies in it – kale, rocket, purple cabbage, pear, walnuts, cherry tomatoes, capsicum and carrot. With all those great veggies and a significant amount of garlic on our Garlic Cheese pizza our immune systems got a great boost today.

## This week @ schoolsOUT

This week at SchoolsOUT was WINTER WONDERLAND!

We made snowflakes, which you can see on our art wall in the gallery! We also made snow globes to go along with winter!

On Tuesday the children made snow dough, its so fun to mix the ingredients together. Our Chilly mornings have been spent with hot Milos, UNO, and lots of colouring!

We have also been spending lots of our afternoons in the shed with it been too cold or wet outside, We have been playing games all together and some children have even been running games and obstacles for everyone else to play! We've have so much fun!

And last but not least a very big HAPPY BIRTHDAY to ETHAN for Wednesday!!!!

## Reminders

Reminder to start booking in for school holidays, we have so many fun packed days running right here at Tylden!

## Next week @ schoolsOUT

Next week is completely planned by the children, using the suggestion jar and our scrapbook to create a whole week of activities! Book in to join in on your activities.
