Principal's Message

Dear Parents and Carers,

It is only one week until our School Concert! Everyone is very excited, and I am looking forward to this spectacular event! Please remember to book your tickets via the link that was sent home last week. The concert information flyer is also attached to this week's newsletter.

Concert Raffle: Each year, Tylden Primary School holds a Raffle at the end of the concert on Friday night. This is always a wonderful way to end the evening, and I am sure that this year will be no different. We are only able to offer these fantastic prizes with the generous donations from our school community. The money raised goes towards the cost of putting on such an amazing production for our wonderful school community. Thank you to the families who have already kindly donated to our raffle. We are still seeking donations of anything that could be put into a hamper to raffle off. This could include but not limited to; food, drink, house goods, gardening items or anything else appropriate. Please drop your donations off at the office before the end of the day next Wednesday. Thank you for all the ongoing support with this!

Earlier this year, many of our students participated in a drawing competition during class time, as part of the Kyneton Daffodil and Arts Festival. I am very pleased to announce that there were two winners. One of the winners was our very own Jullian H. Julian's artwork will be made into a tea towel and will be available for purchase at the festival. Well done, Jullian!

I am pleased to announce that this year, we have been invited to have two students participate in the Kyneton Daffodil and Arts Festival Royal Family. I would like to congratulate Freya and Callum, who have been selected to take part in this exciting opportunity. Thank you to everyone who put forward their expression of interest.

Over the past couple of weeks, we have had some exciting works happening around the school. We have purchased new easy to use taps in both of our student toilet blocks. The feedback from the students has been overwhelmingly positive. They have reported that it is now a lot easier to turn on the tap and wash their hands with soap! We have also had new blinds installed in the library and portables, making the rooms both look and function better. We have also purchased 30 new computers to be used by the students. All these upgrades have been possible through the fundraising from our Annual School Fair!

I am seeking any donations of newspapers that families could donate to the art room please. If you have any that are no longer needed, please feel free to bring them to the office. These will be used with the Prep's during art sessions. Thank you.

I hope everyone has a lovely weekend.

Kind regards,

Bree Sliwczynski

PREMIERS READING CHALLENGE

The Premiers Reading Challenge ends on the 6th of September. For me to have the time to enter the details of all the books read by the students participating, I will need all completed lists given to me before the 29th of August.

It has been very heartening to have already received quite a few completed forms, so keep working towards your goal, remember 30 books read by P-2 students and 15 books for 3-6.

On another note, I would like to take this opportunity to thank Clare from Aesops Attic for her very generous donation of a significant number of second-hand picture story books to add to our school collection. Clare has always been a very strong supporter of our school and her donation is very much appreciated.

THIS WEEK IN SAKGP

There was a Greek theme to our menu today. We made Spanakopita, Tzatziki and Pita bread. We put a Tylden PS twist to the Spanakopita as we have the most magnificent cabbages ready to pick in our school garden so we added some cabbage to our filling and it was delicious! In the garden the grade 3's were busy mulching the strawberry patch, weeding and preparing for the spring planting.
