Principal's Message

Dear Parents and Carers,

What an amazing School Concert Tylden Primary School put on last Friday. The students worked so hard in their preparation, and I think we can all agree it showed in their performances! Congratulations to all students who participated and demonstrated not only courage but also their personal best in getting up on the big stage to perform. Thank you to everyone who supported this amazing event, we could not do it without you! Ms Louise Farrelly has added a special thank you section later in this newsletter.

Today we celebrated Book Week, "Book an Adventure!". It was wonderful to see so many students take part in the celebration through dressing up and participating in some fun literacy activities in their house teams. Thank you to our hard working teachers for organising these activities.

We are now past the halfway point of the term and although it seems 2026 is still in the distant future, we are beginning to plan for classes for next year. The school has now sent offers of enrolment to our Prep families for 2026 and we would be grateful to hear from any families who may have changes of circumstances and may be moving away from Tylden Primary next year. Could you please let the office know of any changes for next year as soon as possible, as it helps us ensure we can provide the best possible learning experiences for 2026.

At Tylden Primary School, attendance matters to us, however we have had a high number of unwell students over the past few weeks. If your child / children are unwell, please ensure that you keep them home so that they can rest and recover.

I would like to remind families that at pick up and drop off times it is essential that cars are parked in the appropriate parking areas and that we are all vigilant of our children near the road. Parking is not permitted within the school crossing zone and please be respectful of our neighbours by not parking across driveways. Also please ensure we all obey the signed speed limits around the school zone, especially during pick up and drop off times.

Today is Mr Bracher's last day with us before he begins his new adventure as an Education Improvement Leader (EIL) role for the Department of Education. We wish Paul all the very best for his new role and look forward to his return to Tylden Primary School. Vanessa Thomson will be teaching Mr Bracher's class on Monday and Wednesday and Sue Redman will be teaching the class on Tuesday, Thursday and Friday until the end of this term.

I hope everyone has a lovely weekend.

Kind regards,

Bree Sliwczynski
Principal

WALK TO REMEMBER IN SEPTEMBER

Throughout September Mr Miller will be walking. The goal is for him to walk 150km over the course of the month of September to raise awareness and money for research into fighting Pancreatic Cancer. A cause that is very close to his heart. He will be walking daily at school around the oval or the basketball court or if the weather is as bad as today, the big shed at lunch times and would like to invite students to walk with him if they wish.

Mr Miller says that if he does reach the goal of 150kms then he will continue to walk to see just how far he can go.

Anyone wanting to help with a donation can visit the office throughout September, we have a QR code that links to a donation page. Lets support Mr Miller on his Remember September 150+km walk.

THIS WEEK IN SAKGP

Today was a menu all about trying food and flavours that you may not normally choose. A beautifully purple Beetroot and Herb Risotto was full of fresh herbs from our school garden. Most children had a try and found that it was very tasty – Raphy even managed 4 servings!! We also made the best Baguettes and a Rocket salad.
