Principal's Message

Dear Parents and Carers,

What a busy week it has been at Tylden Primary School. On Tuesday we had some visitors from the Victorian Curriculum and Assessment Authority (VCAA) to film some of the Prep and Grade 5/6 classes and teachers in action. The feedback from the VCAA was very positive and again highlighted the outstanding teaching and learning that is happening across our school. The filming will support professional development for teachers throughout Victoria next year. I would like to give a special shout out to Allira, Maddi and Paul (who visited for the day) for their hard work and professionalism throughout the day!

Yesterday, we celebrated, R U OK Day. This day encourages people to stay connected and have conversations that can help others through difficult times. That's why we want everyone to feel confident to check in with the people they care about and **Ask R U OK? Any Day**. It was great to see so many of our students come to school with a splash of yellow and kindly donating a gold coin that will go directly to the R U OK fund. The students enjoyed the day participating in some fun activities to support their wellbeing.

This Sunday the 14th of September is the Kyneton Daffodil Parade. We are assembling at the Kyneton Showgrounds at 11.45pm for a 12.30pm start. It would be wonderful to see as many bright and colourful Tylden families joining us as possible, as we proudly represent our school community. I would like to thank everyone who has been involved in making decorations for the parade. Don't forget to wear your beautiful daffodil masks that all classes have been making throughout this week!

We are now past the halfway point of the term and although it seems 2026 is still in the distant future, we are beginning to plan for classes for next year. The school has now sent offers of enrolment to our Prep families for 2026 and we would be grateful to hear from any families who may have changes of circumstances and may be moving away from Tylden Primary next year. Could you please let the office know of any changes for next year as soon as possible, as it helps us ensure we can provide the best possible learning experiences for 2026.

We have a couple of staffing changes beginning next term. I would like to welcome Tayla Durham back to Tylden on Thursday and Friday teaching PE and Digital Technologies. Tayla will begin in Week 2 of term 4. Sarah Hughes will be teaching Grade 4/5 on Monday, Thursday and Friday and Sue Redman will continue working in the 4/5 class on Tuesday and Wednesday.

Sarah Crosbie will be returning to full time in 1/2C and we thank Louise Farrelly who has worked with that grade this term.

Next week, Sarah Hughes is taking some long service leave and is heading to Singapore. We wish Sarah a lovely time and look forward to her return in Term 4.

Finally, a reminder that next week is the final week of Term 3. As is customary, we will hold our final assembly at 1.45pm with our End of Term awards. Classes will also be dismissed early at 2.30pm.

I hope everyone has a lovely weekend and I am looking forward to seeing you on Sunday at the Daffodil Parade!

STUDENTS OF THE WEEK

Ella O— Well done Ella on giving your personal best at all times. Keep up the great work.

Mason Z-A—For your creativity when drawing Tylden Primary School in the past. Your shading and smoke coming out of the chimneys adds details and very eye catching. Keep up the great work.

Evie—Well done on a great week. You worked hard to stay positive and showed great resilience. Well done

Grace B—For having an amazing week! You have been trying so hard in maths, making sure your numbers face the correct way. Keep it up!

Caleb M—You have demonstrated such great determination and consistency in your learning. You are smashing it! Keep up the great work.

Bea B— For continually challenging herself to improve in her writing through her imagination and use of adjectives. Well done Bea keep it up!

Noah M— For putting great effort during maths lessons. You are improving in leaps and bounds. Keep it up!

GETTING READY FOR THE DAFFODIL PARADE

Thank you to Daffodil Parade working group who got together last Monday making props for this Sunday's daffodil parade.

JSC SPORTS COLOURS DAY

Next Friday the 19th of September, the JSC will be holding our annual Sports Colours Dress up Day.

THIS WEEK IN THE KITCHEN & GARDEN

It was a 3-course meal today. We started with Sweetcorn soup. We adjusted the recipe to add some of our fantastic cabbage from the school garden. Next was Twice Baked Potatoes, these were a big favourite and there wasn't a scrape of them left. We finished our meal with a Lemon Yoghurt Cake for dessert. No one left the kitchen hungry!!

The grade 3's were busy in the garden. They built a garden bed on Hugelkultur, a traditional European no dig style of gardening. Also plenty weeding and planting strawberries around the fruit trees was done.

BOLOBEK FUNDRAISER

Tylden Primary will be selling slices of passionfruit sponge cake at the Bolobek Garden Fair on Saturday 4th & Sunday 5th October. Last year, the school sold pork rolls and it was very successful.

The passionfruit sponge has developed quite the reputation and people attend the fair year after year to buy a slice! I would love some help baking the sponge cakes and have included the recipe below. We are aiming to make 80 cakes! Please do not hesitate to contact me if you have any questions about the recipe. I will also need some help assembling cakes on Friday afternoon before the fair (3rd October) and on the Saturday and Sunday. If you are interested in helping assemble sponge cakes in the kitchen at Bolobek or work on the stall, I'd love to hear from you! Fresh sponge cake, lemon curd, cream, passionfruit icing....

Sponge Recipe:

4 eggs (approx 240gm)

3/4 cup sugar

1 teaspoon Cream of Tartar

1/2 teaspoon Bicarb Soda

1 cup **Wheaten Cornflour**

1 teaspoon vanilla

Method:

1. Beat eggs well in electric mixer, approximately 8 minutes.
2. Add sugar in three lots, beating for a total of another 2 minutes. Add the vanilla.
3. Sift dry ingredients into a bowl twice.
4. Sift dry ingredients onto the top of the egg mixture and fold in gently with a spatula or big spoon. There will be some lumps, keep gently folding. Be careful not to over mix.
5. Spray two cake tins with oil and cut a circle of baking paper for the bottom. You will need two 2x8 inch tins.
6. Bake in a fan forced oven for 20 mins at 160 degrees.
7. Use a knife to run around the edge of the cake tin, turn cake out and cool. Please leave baking paper on the bottom of the cake.
8. Once cool, please put in a freezer bag or zip lock bag. Freeze immediately (be careful not to stack anything on top!) or bring to school and Lisa will collect and put in her deep freeze.

****Very important!**

Please do not use regular cornflour, it is gluten free and your cake will not rise! I use

Fielders Wheaten Cornflour available from the IGA in Woodend.
