Principal's Message

Dear Parents and Carers,

Last Thursday our Grade 3s headed off on their first school camp to PGL Campaspe Downs. I was lucky enough to join Mr Miller and the Grade 3s for this wonderful experience. The students had a great time enjoying the different activities that were on offer, the Flying Fox being the highlight of the camp! I was very impressed with the way that the Grade 3s conducted themselves throughout the camp, demonstrating their resilience, manners and encouraging each other to have a go at new and exciting challenges. I would like to thank Mr Miller for his hard work and dedication on camp.

On Tuesday, our Grade 4,5 and 6s went into Kyneton to take part in the Remembrance Day ceremony. Despite the cold weather, the students found this to be a valuable experience and enjoyed taking part in the singing of the National Anthem. Well done to Maddie B for taking part in the formal part of the ceremony on behalf of Tylden Primary school.

On Wednesday we had an emergency evacuation drill, where we safely assembled to Clayton Street. Well done to all staff and

students for their quick response to the drill and for the orderly way this was conducted.

Ms Dickins and I ran our 2026 Prep information evening on Tuesday night. It was wonderful to see many of our new and existing families joining us during this session. We begin our first Prep transition session next Tuesday afternoon. I am very much looking forward to getting to know all our up-and-coming Prep students and their families.

Please remember that tomorrow (Friday the 14th of November) is a student free day. Teaching staff will spend the day writing semester 2 reports.

I hope everyone enjoys a lovely, longer than usual weekend and I look forward to seeing you all next week.

System changes

You will have received an email on Monday notifying everyone about the change we are making from Kidsoft to OWNA. This will be a great upgrade that will make communication, bookings, forms and staying in the loop much simpler. As part of this change, we require families to fill out a NEW ENROLMENT FORM. This is essential to continue making bookings. These need to be completed by the 19th of November. Please contact admin if you need support with this!
