Principal's Message

Dear parents and carers,

I hope that everyone had a lovely extra-long weekend and had the chance to enjoy some time with family and friends.

Our Grade 6 class participated in lessons on Puberty and Personal Development as part of the Victorian Department of Education Health and Respectful Relationships Curriculum. These sessions were facilitated by School Nurses from the Department of Education, based in the Bendigo office. The students were very engaged in the session and had the opportunity to ask many questions. Thank you to Andria Scott for facilitating this session.

We will be providing student achievement reports for Semester 1 this year as usual. The reports will be sent home on Friday the 19th of June. The reports will continue to provide important details about student learning attainment, but full descriptive comments will not be included as a result of industrial action taken earlier this term by the Australian Education Union.

We will of course be pleased to discuss with you your child's progress at our parent-teacher interviews scheduled for the 24th and 25th of June. A slip was sent home today and if you wish an interview could it be returned to the office by next Friday 19th June.

The cooler weather has started to settle in at Tylden. With the change in weather comes a short reminder to make sure that students at all grade levels have a jacket and spare change of clothes with them as wetter weather comes. Even frosty mornings are potential for students to require a dry set of clothes, and the school has only a limited supply of spares.

Just a friendly reminder, that when you are dropping off or picking up students from out the front of the school to please be mindful that you are not parking across or in resident's driveways or moving their rubbish bins. I have had a few reports of this happening, and it makes it challenging for our local residents.

I hope everyone has a wonderful weekend.

STUDENTS OF THE WEEK

Pictured: L-R Back: Willie, Ryan, Jaxon Front: Annie, Gus & Hugo

STUDENTS OF THE WEEK

Gus– For demonstrating the school value of kindness. You consistently look out for your peers, making sure everyone has someone to play with and helping people as needed. Keep it up!

Jaxon– For doing your best in class and making our new student feel welcome. You are friendly and kind with your time. Keep it up!

Willie– For always putting in your very best efforts in Maths. You constantly challenge yourself by wanting to learn more.

Annie– For putting in your best efforts in class work and challenging yourself to improve! Keep up the hard work. Superstar!

Ryan– For showing great problem solving skills. You ask clarifying questions to get all the information before giving your final answer. Well done!

Hugo– It has been so nice seeing your smiling face every-day this week! You have been putting some fantastic work in to your reading. Keep up the awesome work!

CSE&F

The Camps, Sports and Excursions Fund (CSEF) will provide payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card are eligible to apply. Payments are made directly to the school and are tied to the student.

Forms are available at the office and are due by 23rd June, 2026. Parents or legal guardians are required to submit a new CSEF application form each year.

HAVING FUN DURING WET TIMETABLE

IN THE KITCHEN LAST TWO WEEKS

Last week they were very busy in the kitchen with 3 dishes on our menu - Ratatouille, Bread and an Apple Pie. The Ratatouille had loads of vegetables. We had to 'sweat' the eggplant and cut up all the veggies. Our Apple Pies were amazing!

Lots of veggies today!! We made Ratatouille using Silver Beet fresh from the garden along with lots of other vegetables. We also made bread rolls and a super delicious Apple Pie. We had a special treat of fresh Snow Peas from the garden – thanks Grade 4/5 for picking and delivering them to us.

GERMAN MEME COMPETITION

As part of our German Language Week celebrations, students in Grade six explored and created German themed memes. These could centre around German stereotypes, funny German words or things that have been surprising or amusing about learning German. Our students came up with some wonderful ideas, showing their creativity, imagination and humour. The top creations were entered into the Goethe-Institut's meme competition, which is open to all schools studying German in Australia and New Zealand, with Freya Fogarty's meme taking out third place overall! Congratulations to Freya and to all the students who participated. Here are some of the memes our class created.
