### Principal's Message

Dear parents and carers,

This will be the final newsletter for this term. I would like to congratulate all students, staff, and families on successfully reaching the end of Term 2. It has been another productive and rewarding term, filled with engaging learning experiences, memorable events, and many opportunities for students to grow and succeed. Thank you to our school community for your continued support and strong partnership between home and school, which plays such an important role in helping our students flourish at Tylden Primary School.

I would also like to acknowledge our dedicated and hardworking staff, who consistently go above and beyond to create a positive and inclusive learning environment where every student is encouraged to achieve their personal best. Finally, a heartfelt thank you to our wonderful students for their enthusiasm, perseverance, and commitment to learning throughout the term. We are incredibly proud of the way you continue to demonstrate the values and qualities that make a true "Tylden Kid."

Today the semester 1 reports have been sent home. The reports will continue to provide important details about student learning attainment, but full descriptive comments will not be included as a result of industrial action taken earlier this term by the Australian Education Union. We will of course be pleased to discuss with you your child's progress at our parent-teacher interviews scheduled for the 24<sup>th</sup> and 25<sup>th</sup> of June. It is always great to have the opportunity to catch up with families to discuss student progress and the plan for the second half of the year. If you were unable to make it to interviews

for your child/ren, please contact the teacher/s as I am sure they will be able to make an appointment time for you early next term.

We are saying goodbye to Isla Davie today as her family journeys to a warmer climate. Isla will be missed by all the staff and students at Tylden. Good luck, Isla.

We will be holding our end of term assembly next Friday at 1:45pm and students will be dismissed at 2:30pm. We hope to see you all there! Term 3 will begin on Monday the 13<sup>th</sup> of July.

On a personal note, I would like to sincerely thank the Tylden Primary School community for your ongoing support throughout the term. I am incredibly proud of our wonderful school and the strong partnerships that exist between students, staff, and families.

As we head into the term break, I hope everyone can have the opportunity to relax, recharge, and spend quality time with family and friends. We have seen a significant number of illnesses affecting our school community during the latter part of the term, and I hope that the break provides everyone with a chance to rest, recover, and return refreshed and healthy for Term 3.

Have a wonderful and safe break and we are looking forward to seeing you all in Term 3!

I hope everyone has a wonderful weekend.

### STUDENTS OF THE WEEK

Pictured: L-R Back: Gus, Eddie, Julian & Georgia

## STUDENTS OF THE WEEK

**Gus**– For your impressive writing! You wrote a very impressive sentence about the Enchanted Wood. Well done!

**Eddie**– You consistently challenge your self to include descriptive words such as ‘determined’ in your writing. You are also using expression when you read, which is fantastic. Keep up the great work!

**Julian**– For writing informative and well structured explanations for our science experiments. You use correct vocal to explain your understanding. Use conjunctions well and always try to go above and beyond!. Well done!

**Georgia**– You are building on your resilience everyday and in turn building your confidence. Keep up the amazing work!

**Mason**– For your consistent effort, focus and attendance. You are putting in your personal best and making great leaps in your learning. Well done Mason. Cowabunga!!

**Matilda**–For consistently showing the school values in everything you do. You are always going above and beyond in your learning and when working with others. Amazing!

## JUNIOR SCHOOL COUNCIL FUNDRAISER-FIGHT MND

Next Wednesday, our Junior School Council will be hosting a special **“Dress in Your Favourite Colour” Day**. Students are invited to come to school dressed in their favourite colour and join in the fun while supporting an important cause.

The Junior School Council is asking students and families to consider making a gold coin donation, with all funds raised going towards **Motor Neurone Disease (MND) research and support services**.

This is a wonderful opportunity for our school community to come together, show their school spirit, and make a positive difference in the lives of those affected by MND. We look forward to seeing a rainbow of colours across the school and thank everyone in advance for their generosity and support.

## WELLBEING CLUB

In wellbeing club this week Eliza and I ran two different activities. Eliza ran a chatterbox making activity and I ran a directed drawing activity.

The directed drawing the kids drew was a duck the and kids had so much fun at wellbeing club this week. Next week we are going to be doing a calmful building session with Lego and magnet tiles.

## TYLDEN PS DOWNBALL CHAMPIONSHIPS

Over the past month, we have held heats in Grades 3–6 for our annual Down ball Championship. It was fiercely contested, with many impressive skills, determination, and great sportsmanship on display throughout the competition.

Overall winners from each grade Will (Gr6), Remi (Gr4), Raphy(Gr5) & Charlie (Gr3)

**Congratulations to Remi who took out this years Down Ball Champion**

The challenge is on! Next Tuesday we have our Student vs Teacher Down Ball Competition, where quick reflexes, great sportsmanship, and plenty of laughs will be on display as students and teachers battle it out for Down Ball glory!

## THIS WEEK IN THE KITCHEN

This Tuesday we got to cook sausage rolls filled with silver beet and ricotta, an Indian tortilla and guacamole and tortilla chips. Instead of doing the usual sitting at our groups tables we got to walk around and talk to our friends. Its really great we get to experience other cultures meals and get our fresh produce from our garden. As it was the last cook of the term, I thought it was a brilliant idea for Mrs Thomson to change things up a bit and let us talk to one another anywhere around the room (except for the carpet). Stephanie alexander is a wonderful experience. Not only do we get to cook but we get to cook inside the gates of our education. **By Gwendolynne H**

We made a delicious meal on Tuesday including ricotta sausage rolls, tortilla chips, a Spanish tortilla and yummy guacamole! It had lots of flavor and we got to walk around and chat with our friends instead of sitting down at a table. We really enjoyed this amazing meal! **By Rosalie CC and Sophie S**
