Principal's Message

Dear parents and carers,

Tylden Primary School's annual School Concert is fast approaching. All students have been working hard to rehearse their class dances, and our Grade 6 students have been busy practising their roles. This exciting event will be taking place on Friday the 28th of August 2026 at Sacred Heart College, Kyneton beginning at 7pm, with doors opening at 6:30pm.

In addition to this, we will be holding a Matinée performance during the day of the concert. This will potentially give the opportunity for other family members to see the concert. You will need to keep in mind, that the Matinée will double up as a whole school run through before the actual concert night, so please be patient! Don't forget to book your tickets via trybooking: <https://www.trybooking.com/DONMY>

We are still seeking donations of anything that could be put into a hamper to raffle off. This could include but not limited to; food, drink, house goods, gardening items or anything else appropriate. Donations are now ready to be received at the office, and we thank you all for your continued support.

Yesterday a few very brave and confident senior students participated in a German Poetry Competition. It was wonderful to hear

the students reciting their poems in fluent German. Congratulations to everyone involved.

Our school will be celebrating Inclusion Day on Monday 24th August by inviting students and staff to wear a splash of purple as we come together to celebrate inclusion, belonging and the wonderful diversity within our school community.

The Department of Education has a strong commitment to ensuring that all Victorian government schools are respectful, safe and inclusive places of learning and work for all students, staff and members of our school communities.

Inclusion Day is a wonderful opportunity for us to reflect on the importance of making sure everyone feels welcomed, valued, respected and included. We encourage our students to show kindness, understanding and acceptance, and to celebrate the unique strengths and qualities that each person brings to our school.

We look forward to seeing lots of purple around our school as we celebrate the message that everyone belongs!

Have a wonderful weekend.

PREMIERS READING CHALLENGE

The Premiers Reading Challenge ends on Friday 4th September.

In order for me to have the time to enter the details of all the books read by the students participating I will need completed lists before Friday 28th August.

It has been very heartening to have already received quite a few completed forms so keep working towards your goal, remember 30 books read by P-2 students and 15 for 3-6.

GERMAN POETRY COMPETITION

On Thursday, five brave students participated in the AGTV poetry competition by reciting a German poem in front of an external judge and an audience of peers and teachers. The students worked hard on learning the vocabulary in the poems and practising their pronunciation so they could recite with confidence.

All students did a fantastic job of saying their poems and deserve to be really proud of their efforts. Freya F won the gold medal and Eliza A took home the silver medal. These two students have now qualified to compete in the State final in Melbourne on the 12th of September. Congratulations to all students who took part.

DAFFODIL PARADE

With Spring on our doorstep, I am sure many of you have noticed the beautiful daffodils in bloom around the school and wider community. With the rise of the daffodils comes one big event of the year, the Daffodil Parade in Kyneton. This year the Daffodil Parade will be held on Sunday 13th of September. As always, Tylden Primary will have our traditional walking float with a theme of "The Bulb and the Beautiful".

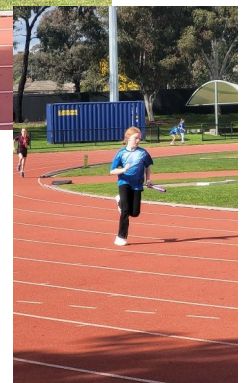

We would love to have as many of our Tylden families join us in their brightest colours to show off our Tylden spirit. We will be holding a craft afternoon on Tuesday the 1st of September from 3:30pm – 4:30pm in the art room.

I would like to invite parents and students to come along to help make masks, necklaces, bracelets and top hats, as suggested by the students. If you have any materials that could be useful, please feel free to bring them along or drop them into the office beforehand.

INTERSCHOOL ATHLETICS

Last week, we had 35 students representing Tylden at the Interschool Athletics. Our students competed in a range of events, including high jump, discus, shot put, long jump, triple jump, relay and various individual sprints. Many of our students performed exceptionally well, coming away with ribbons for their efforts. Congratulations to all!
