Principal's Message

Dear parents and carers,

It's School Concert time! Everyone is very excited, and I am looking forward to this spectacular event this evening! Please remember, this evening's performance will commence at 7pm (Doors open at 6.30pm). The main cast are required to be at the theatre at 6.15pm and all other students at 6.30pm. Parking will be available in the staff car park on High Street side and on the basketball court via Begg Street entrance. We will be filming the concert tonight and families will be able to purchase a copy by downloading a link to the concert. More information will follow regarding this.

We are asking for a gold coin donation on entry to the concert and we will also be running a raffle \$2 per ticket or 3 tickets for \$5. So don't forget your cash, as there is no Eftpos available. The prizes are hampers of goodies and other items donated by our families. The money raised from the raffle pays for the bus for our concert rehearsal, filming of the concert and also subsidises the hire of the choreographer. I would like to thank all families who have donated goodies for the hampers.

With Spring on our doorstep, I am sure many of you have noticed the beautiful daffodils in bloom around the school and wider community. With the rise of the daffodils comes one big event of the year, the Daffodil Parade in Kyneton. This year the Daffodil Parade will be held on Sunday 13th of September. As always, Tylden Primary will have our traditional walking float with a theme of "The Bulb and the Beautiful". We would love to have as many of our Tylden families join us in their brightest colours to show off our Tylden spirit.

We will be holding a craft afternoon on Tuesday the 1st of September from 3:30pm – 4:30pm in the art room. I would like to invite parents and students to come along to help make masks, necklaces, bracelets and top hats, as suggested by the students. If you have any materials that could be useful, please feel free

to bring them along or drop them into the office beforehand.

From today, our weekly newsletter will no longer be published in full on the school website. To protect the privacy of our students, families and school community, only the first page of the newsletter will be available publicly on our website.

The complete newsletter will continue to be shared with our school community through our usual communication platform - XUNO. This will ensure that families can still access all of our important school news, updates and information while helping us maintain appropriate privacy for our students and community.

Thank you for your understanding and ongoing support as we continue to prioritise the privacy and wellbeing of our school community.

Next Tuesday, we have our senior Tee Ball team heading off to Bendigo to participate in the next round of competition. We wish all of the boys the best of luck!

Don't forget that this coming Monday is a Curriculum Day, and students are not required at school.

I hope everyone enjoys our School Concert this evening and enjoys a long weekend!

Have a wonderful weekend.
