Principal's Message

Dear parents and carers,

What a wonderful way to finish a very busy and successful term!

Last Sunday, it was fantastic to see so many of our families participating in the Kyneton Daffodil Parade. It was lovely to see our school community coming together, with so many bright, vibrant and colourful outfits bringing plenty of energy and joy to the parade. Thank you to everyone who took the time to participate and represent our school, it was wonderful to see so many familiar faces!

On Monday, our Grade 4/5 students headed off to Lady Northcote Camp for two nights. I was incredibly impressed by the way our students demonstrated our school values, particularly Personal Best and Resilience. Throughout the camp, students challenged themselves, supported one another and embraced new experiences with enthusiasm and a positive attitude.

The students had a fantastic time participating in a range of fun, challenging and exhilarating outdoor activities. It was wonderful to see them stepping outside their comfort zones, encouraging their friends and making special memories together.

A very big thank you to Mrs Cashen, Ms Flens and Amy for their tremendous effort in making the camp such a positive experience for our students. Thank you for all the organisation, preparation, care and support you provided throughout the camp. Your dedication ensured that our students were able to enjoy such a memorable experience.

Yesterday, we also enjoyed our Sports Dress-Up Day. It was fantastic to see so many students getting involved, dressing up in their favourite sporting outfits and embracing the fun of the day. A special highlight was our hot dog lunch, which was certainly enjoyed by everyone!

I am also happy to share that over the holidays we will be having some much-needed works completed to our school crossing and footpath along Clowes Street. While we are very pleased to see these improvements taking place, there

will be some temporary disruption to road access while the works are completed.

Clowes Street will be closed throughout the school holidays. If you are dropping off or collecting students from School's Out, you will need to access the school via Clayton Street. Parking will still be available at the end of Clayton Street. Thank you in advance for your patience and understanding while these important works are completed.

As we come to the end of another busy term, I would like to take this opportunity to thank our entire school community for your ongoing support, encouragement and partnership throughout the term. Our school is such a wonderful place because of the strong sense of community that exists between our students, staff and families.

Yesterday, we also enjoyed our Sports Dress-Up Day. It was fantastic to see so many students getting involved, dressing up in their favourite sporting outfits and embracing the fun of the day. A special highlight was our hot dog lunch, which was certainly enjoyed by everyone!

We raised in coin donations \$260.00, and many families also donated online. The money raised will go towards Pancreatic Cancer Research. Thank for your supporting this worthy cause.

I hope everyone enjoys a well-deserved break. Take the opportunity to rest, recharge and spend some quality time together.

Wishing all our families a safe, happy and relaxing holiday. We look forward to welcoming everyone back refreshed and ready for another wonderful term on Monday the 5th October

GERMAN POETRY STATE FINALS

Last Saturday, Eliza and Freya travelled down to Melbourne to represent our region at the State German poetry finals. The girls competed against students learning German as a second language at primary schools right across Victoria. Both girls did a brilliant job of reciting their poem in front of an audience, with Eliza finishing in third position overall. Students also had the opportunity to try some Austrian food and take part in a German quiz and Zungenbrecher competition as part of the morning. Congratulations to both students and thanks to the families for supporting their participation!

WORKING BEE 24-10-26

Our final working bee for the year will be held on Saturday 24th October, from 9:00am–11:00am. Morning tea will be provided. Children are very welcome to attend; however, they must be supervised by a parent or carer at all times. I have listed the families who are rostered on to attend, but if you missed a working bee earlier in the year, you are very welcome to come along and help out.

Families rostered for this working bee are: Aldridge (J&D), Best, Bonello Ward, Bordonaro, Bowen, Carroll, Chittenden, Croxford, Daley, Goodwin, Falk, Farrall, Heddin-Kelly, Henchie, Holdsworth, Jones, Kulveski, Lockwood-Porter, Rick, Speirs, Walsworth, Waters & Watson.

There will be a range of jobs to suit everyone. Jobs to be undertaken, tidying garden beds, spreading mulch, checking the playground equipment, cleaning cupboards in Room 4. Tools and equipment that will be handy to bring with you are shovels, rakes, wheelbarrow, garden gloves or any tools you might think is useful. Thank you for your continued support and for helping keep our school grounds looking great. We really appreciate your time and effort!

GRADE 6 POETRY— FUTURE ME

My future self

Brackets, indices and Division
Multiply, add and subtraction,
Is always better with a fraction
But is math mine?

Basketball, is what I was
But yellow black purple
And white is better
For myself, I'm a lakers fan

But is basketball mine?
I have always loved Australia
All the landscapes, people
And all the things here.

But is Australia mine?
Is maths mine?
Is Basketball mine?
Only I am mine.

By Ryan

ME IN TEN YEARS...BY MANNY

Turning 21 what a big deal,
Surprisingly I've grown out OF happy meals.
A big party for a big day.
Talking with my brother hip hip hurray.

The cake arrives I'm surprised,
I begin to cut and I find.
A brand new car I nearly cry.
I stand up my mind is like its deep fried.

I jump up and hug my mum.
I stop and nearly swallow my gum,
Finally realizing I am loved so much.
But at that moment I grab the clutch.
I love my family so much.

To my future self

By Haylee

Hello here from far, far away,
How you been feeling late today?
Did we finish the whole of school?
I'd like to know so I don't feel like a fool.
Hello there future me.

I really like cheese,
Do we still have kidneys?
Do we have kids?
When was the last time we shut our eye lids?
Hello there future me.

Are we still friends with Freya?
Is her nickname still Deya?
What about Willow?
Do I still use her as a pillow?
Hello there future me.

The future meeeee

I wonder where you're standing now
What stars are bright above your brow
In that far-off, unwritten place,
With calmer eyes and softer grace.

Me, I still love soccer
Being active so I don't get fatter
I hope the field still brings you peace,
And your love for the game will never be decreased.

Maybe now you'll play on shorter floors
Where futsal calls indoors with quicker touches
tighter space rapid things
And the game is still everything

I hope you still chase after dreams,
No matter how far off it seems.
With older hands but youthful heart,
Ready for every brand new start.

THE QUESTIONS I HAVE

Hello me,
Will I travel the sea?
Is the world not fine?
Will I have a pet that will be mine?
The questions I have
Can you answer them for me?

Hey there me,
Is uni hard?
The advice they give me,
Will I disregard?
The questions that I have
Can you answer them for me?

Hi there me,
Can you see,
Is a lawyer in my path
Or will I be the family laugh?
The questions I have
Can you answer them for me?

By Willow

GRADE 6 POETRY— FUTURE ME

Hello me in the future poem

By Eliza . A

Hello me in the future,
Have I become a teacher?
I have so many things I'd like to know,
Well what do you know let's go, go,
go!
Hang on let's slow down,
Oh but I have the energy of a clown.

Hello me in the future,
Do I still enjoy nature?
Do I ever learn to drive,
Or do I never continue to thrive?
I always wished to
It sounds so fun to do.

Hello me in the future,
Do I have my own creature?
Will I ever still continue to travel,
Or will I stick to the gravel?
My love for Germany, London, France
Or will I head back to dance?

Hello me in the future

Future Poem by Miles

What's it like in the future?
Is humanity at its peak?
What's it like in the future?
Or is the world dark and bleak?

Do you live in a mansion?
Or deep in the ground?
Or maybe, just maybe,
Do you live on a cloud?

Are there hoverboards,
Or some awesome new tech?
What's it like in the future,
Is your time one of the best?

How many people are there?
Or are there so, so many deaths,
Is the world plunged into war,
And about to meet its end?

Dear Future Me...

Dear future me
did we ever achieve our dream?
Did we study dermatology?
Did we travel the world? Am I on a
team?

Dear future me
Did we ever achieve our dream?
Did the circus like us? Like me?
Does everything go as I seem?

Dear future me
Did we ever achieve our dream?
Do we live where it matters to me?
Can I still not have cream?

Dear future me
Did we achieve our dream?
Flying cars, is that a cup of tea?
AI, do they own every seam?

By Freya

My Future Poem By Heidi

Hello from far way,
How are you feeling today?
I really hope you're feeling great
And have things to celebrate!

Me, I'm still in school
Learning so you're not a fool.
I hope all our dreams came true
And none of the bills are overdue.

Are we a helping the human race?
Or are we starting a new cold case?
Have you still got your friends?
Did they leave you round the bend?

IN TEN YEARS.....BY JASPER

What will life be like in the future?
Did I get my job did I get a property?
Or will I be in poverty?
Will I be in university?

Will i get a car?
Or will I be far?
Will I have lots of money?
Or will I just be funny?

Will I have any mammals
Like camels with enamels
Will I have glasses
Will I still have classes
