Message from the Principal.....

Welcome back to Term 4! I hope everyone enjoyed a restful and enjoyable holiday break. It has been wonderful to begin a new term, and we look forward to another busy and exciting few months of learning, growth and school community activities.

As you are aware, the roadworks along Clowes Street have continued throughout this week. I am hopeful that the road will reopen early next week, and I will keep the school community updated as further information becomes available. While we are very pleased to see these important improvements taking place, there will continue to be some temporary disruption to road access while the works are completed. Please continue to follow all roadwork signage and directions to help keep everyone safe. Parking will remain available at the end of Clayton Street.

Thank you for your patience, understanding and cooperation as these works progress.

Over the school holidays, a piece of glass in the door at the back of Room 2 was broken. The glass has since been repaired, and the area is safe. I wanted to make our school community aware of this incident and remind families that students who are on school grounds outside of school hours are expected to act responsibly and treat our school environment with care and respect. We appreciate your support in reinforcing the importance of looking after our school facilities and keeping our grounds safe for everyone.

As we move into Term 4 and the weather begins to warm up, a reminder that all students are required to wear a broad-brimmed navy school hat when outside during break times and outdoor activities. This is an important part of our SunSmart practices and helps protect students from the sun while they enjoy time outdoors. Please check that your child's hat is clearly named and ready to be worn each day.

Staff have also noticed that some students are forgetting to bring a water bottle to school. As the temperatures rise, staying hydrated becomes increasingly important. Please ensure your child packs a water bottle each day so they can refill it and stay hydrated throughout the school day.

A reminder that students are expected to wear the full school uniform each day, including plain navy bottoms. Hair should be kept away from the face, and longer hair that falls below the shoulders must be tied back for health and safety reasons.

Thank you for your ongoing support in helping students take pride in their appearance and represent our school positively. These small daily routines help reinforce our sense of belonging and pride in being part of the Tylden Primary School community.

I look forward to working alongside our students, staff and families throughout Term 4. Thank you, as always, for your continued support and partnership. I encourage everyone to embrace the opportunities this term brings as we continue to learn, grow and celebrate our students' achievements together.

Have a lovely weekend.

Kind regards,

Bree Sliwczynski
