½ hour session per group

SWIMMING CARNIVAL
Gr 3-6 9.30am-12pm

Message from the Principal.....

It has been another busy and productive few weeks at Tylden Primary School, and I would like to take this opportunity to share a few upcoming events and reminders with our school community.

Our final working bee for the year will take place this Saturday, 24th October, from 9:00am to 11:00am. I look forward to seeing our selected families there as we work together to help maintain and improve our school grounds. Thank you for your ongoing support and willingness to contribute to our school community.

As you are aware, the roadworks along Clowes Street is almost complete. While we are very pleased to see these important improvements taking place, there may still be some temporary disruptions to road access as the footpath works continue. Please continue to follow all roadwork signage and directions to help keep everyone safe.

Students are now able to use the new wombat crossing, and we encourage families to support students in using this crossing when travelling to and from school. We also ask that students stay off the newly laid topsoil to allow the grass seed to germinate and establish successfully. Thank you for your patience and cooperation as these improvements are finalised.

Our Grade 3 students are looking forward to heading off to camp on the 5th and 6th of November. As this will be their first school camp, we will be holding an information session for parents and carers on Monday, 26th October, at 3:50pm in the library. This will be an opportunity to discuss camp arrangements, answer any questions and help everyone feel prepared for this exciting experience. I hope to see you all there!

Next Friday, 30th October, is World Teachers' Day! This is a special opportunity to recognise and celebrate the wonderful work of our amazing teachers at Tylden Primary School. Our teachers work tirelessly to support, encourage and inspire our students, building positive relationships and creating engaging learning experiences every day. We are incredibly fortunate to have such a dedicated team, and I would like to take this opportunity to thank them for the care, commitment and passion they bring to our school.

I am currently seeking donations of clean ice-cream containers and old newspapers for our Art Room. If you have any of these items at home that you are happy to donate, I would greatly appreciate your contributions. Thank you for helping us keep our creative learning experiences going!

Have a lovely weekend.

Kind regards,
Bree Sliwczynski

GR 5/6 WERRIBEE ZOO VISIT

On Monday the grade 5/6 students went to the Werribee Zoo to help with our animal adaptations expo. It was a blast! We got to go on the safari bus and saw many amazing animals and learnt so much. A highlight was getting to see the new baby elephant roll around the water. **By Jasper**

TREE PLANTING

Wayne kindly donated a Chinese elm tree, and we thought it would be a lovely activity for our Grade 6 students to enjoy with their Prep buddies. Together, the Grade 6s dug the hole and planted the tree, while the Preps helped water it.

The tree is a special symbol of our Grade 6 students as they prepare to leave Tylden Primary School and head off to high school. Just as the tree will grow over time, so too will our Preps as they continue their own journey through primary school. It's a lovely reminder of the friendships, growth and memories made along the way. A big thank you to Wayne for his generous donation!

STUDENTS OF THE WEEK

Camilla- For putting so much effort into your writing. You have been focusing on including verbs and adjectives and have created some amazing sentences. Keep it up!

Alby- You have settled back into the swing of school so easily and it is such a pleasure having your inquisitive mind back in action. Keep up the brilliant work!

Ryan- You have worked so hard this week to improve your writing. It has been more clear and concise, and I am looking forward to seeing what you present for your information text! Well done.

Wren F- For showing resilience in maths and progressing your understanding of fractions. Well done Wren!

Luna- You are putting a lot of effort into your learning this term and its showing. You are challenging yourself to write more and working on writing neatly and including descriptive language. Keep up the great work!

Gwenny- For your incredible information report on Giant Pandas. you have included a beautifully drawn diagram, clever subheadings and strong noun groups. Amazing work!

BIRD CALLING COMPETITION

In the lead up to the Inaugural Great Tylden Bird Call Competition the students have been given 2 weeks to research and practice their Bird Call. To make things easier below parents can find links to websites that have Hundreds of Bird Call samples and sound files so students can choose a bird, hear it then practise at home. The "heats" will be held in the Library at Lunchtime on the 9th of November with the 10 finalists competing in the final as part of 'Tyldens got Talent' on Wednesday the 11th November.

Good Luck Everybody

GET FIRE READY FOR SUMMER

Do you know what to do if a fire starts near your property?
Do you know how to understand the information sent out on the VicEmergency App?
Do you know about the fire risk where you live?

Come down to Tylden Fire Station from 10:00am-11:30am on the 11th of October to learn about staying safe from fire this Summer.
Meet the local CFA fire fighters from Tylden Fire Brigade to learn, have fun and see a truck too!
