PARSHA SHEET

פרשת בראשית

A playful weekly guide to learn the Parsha with children in a fun and engaging way

🗞️ What Happened??

🌎 1. IN THE BEGINNING...

At first, there was nothing! Then Hashem created the entire world in six amazing days: light, sky, oceans, trees, the sun, moon, stars, fish, birds, animals, and finally... PEOPLE!

👫 2. MEET ADAM AND CHAVA!

Hashem creates Adam from the earth and gives him the breath of life. Then He creates Chava to be his partner. They live in the beautiful Gan Eden, surrounded by trees, flowers, and friendly animals!

🐍 3. THE SNEAKY SNAKE!

Hashem tells Adam and Chava not to eat from one special tree. But a tricky snake convinces Chava to taste its fruit, and Adam eats some too! Uh-oh! They disobey Hashem and must leave Gan Eden.

🕯️ 4. SHABBAT IS BORN!

After six days of creating, Hashem stops creating on the seventh day. He makes Shabbat a special, holy day of rest. That's why we celebrate Shabbat every single week!

🐑 5. A TALE OF TWO BROTHERS

Adam and Chava have two sons: Kayin, a farmer, and Hevel, a shepherd. Both bring korbanot to Hashem, but only Hevel's is accepted! Kayin becomes so jealous and angry that he does something terrible—he kills his brother! Hashem teaches us that we must control our anger and choose what's right.

🌈 6. A NEW HOPE FOR THE WORLD!

Many years pass, and people begin behaving very badly. But one man is different. His name is Noach, and he finds favor in Hashem's eyes. His amazing story is coming next week!

💭 Parsha Ponders

❤️ Why do you think Hashem cares that Korbanot come from our best, and not just any animal?

👨‍👩‍👧‍👦 Why do you think Hashem made the grass but waited for us to daven for it to grow? Why does He care about our tefillot?

✏️ Shabbat Message

Parshat Bereishit is all about new beginnings! Hashem created the world from nothing, filling it with incredible wonders for the very first time. And this Shabbat, we get a new beginning too! After finishing the entire Torah on Simchat Torah, we open it up and start all over again. But even though we've heard these stories before, there's always something new to discover!

May this Shabbat remind us that every day is a chance to start fresh, every Torah story is a chance to learn something new, and even the most familiar things can be full of wonder!
Have a wonderful Shabbat! 💙˜ Shmooz
