The screenshot displays the Hazel web dashboard interface. On the left, a sidebar menu includes 'Students', 'School Visits', 'Home Visits', 'Consents', 'Visits', 'Screening', and 'Mental Health Referral'. The 'Students' tab is active. A search bar at the top of the main content area contains the text 'rowe'. Below the search bar, a list of students is shown. The first student, 'Rowe Auld', is highlighted in blue and is associated with 'High Sierra High School' and the date '2/19/04'. The second student, 'Rowena Towey', is associated with 'Yosemite High School' and the date '4/5/06'. To the right of the student list, a detailed view for 'Rowe Auld' is displayed. It shows 'Female, 2/19/04', 'Grade 10', and 'Age 18'. Below this, there is a section for 'Mental Health' with a 'Submit Referral' button. At the bottom of the right panel, it shows 'Student Consent' status as 'None' and a link to the 'Student Consent Form'.

- 4 The counselor / student click *Student Consent Form*, then the student reviews and signs the consent form.

The screenshot shows a 'Student Consent' form. The form is titled 'Student Consent' and is for the 'Hazel Unified School District'. It states: 'Since this student is their own guardian they need to fill out the following consent form'. The form fields include: Name (First Name: Rowe, Last Name: Auld), Birthdate (February, 19, 2004), and Contact Info (Mobile Phone, Email).
