Lookbook AW26

# THE BRAND

Every IBU piece begins with a woman.

Not only the woman who will wear it, but also the woman who carefully crafts it by hand. This connection has always been at the heart of IBU Jewels and remains our greatest inspiration.

With AW26, we wanted to create a collection that feels effortless, timeless and deeply personal. Pieces that become part of your everyday life and are worn season after season.

Thank you for being part of the IBU story.

With love,  
The whole IBU Team

A close-up portrait of a woman with blonde, wavy hair, smiling warmly at the camera. She is wearing a gold-colored, textured top that sparkles. Her jewelry includes large, ornate gold earrings with a silver-colored top section and multiple gold tassels. She also wears a thick, gold-colored chain necklace. Her hands are visible at the bottom, adorned with rings: one with a white flower-shaped stone and another with a large, oval, light-colored stone. The background is a soft, out-of-focus light color.
